

## MAIN STREET FIRE THREATENED A LOSS MANY THOUSANDS DOLLARS

**Fixtures of Merka's Cafe in Lereo Building on North Main Street Destroyed by Fire Which was Discovered About Eleven O'clock Wednesday Night—Loss is \$3,000—Covered by Insurance.**

An estimated loss of \$3,000 was caused last night by fire which was discovered about 11 o'clock in the Sam Lereo building on North Main Street, occupied by the business known as Merka's Cafe. The cause was defective wiring, in the opinion of Frank Merka, who operated the cafe. The fire seemed to have been heaviest in the vicinity of the ceiling. The fixtures are almost a total loss. Insurance was carried on the fixtures in the sum of \$2,500. The building was damaged as to ceiling and front entrance doors, and the floors to some extent. The kitchen of the cafe was damaged by water only, causing breakage of equipment. Had the fire had about 20 minutes more headway, it would have burned through to the roof and a whole half-block of buildings endangered, threatening a loss of many thousands of dollars.

## CHANGED MIND CAUSED DEATH

**GIRL PROMISED LT. THOMPSON SHE WOULD MARRY HIM IF HE WOULD QUIT ARMY**

### WROTE RESIGNATION

(By Associated Press)  
MANILA, Apr. 9.—Friends of Miss Audrey Burleigh, former Memphis, Tennessee, girl, who was shot to death Sunday by Lieutenant J. S. Thompson, young army officer, in an automobile near Manila, said today that the girl had promised to marry Thompson if he would resign from the army. Thompson wrote out his resignation and then, according to friends of Miss Burleigh, she had a change of heart and changed her mind.

## DR. JNO. A. CROCKETT OF HOUSTON OPENS OFFICES IN BRYAN

Dr. Jno. A. Crockett, lately of Houston, has located in Bryan, with offices in the Astin building, for the treatment of diseases of the eye, ear, nose and throat. Mrs. Crockett and their daughter will arrive to make Bryan their home so soon as suitable housekeeping arrangements are made. Dr. Crockett was reared at Chapel Hill, a former Allen Academy student, and already has quite an extensive acquaintance here.

## BRYAN DENTISTS TO GIVE ESSAY PRIZES

State Dental Health Week is from April 18th to 18th. The purpose of Dental Health Week is to present clearly and forcefully to all the people of Texas the essential truths of how to grow strong, healthy teeth in clean, healthy mouths, and how to keep them healthy. This effort is being put forth purely as an educational health measure for the state. The local dentists of Bryan are co-operating in this work by offering prizes for the best original essay on "Why the Teeth Should Be Cared For." The length of the essay is limited to the children of the 5th, 6th and 7th grades of all the schools in Brazos county. First place wins \$7.50; second place, \$5, and third place, \$2.50. The prize winning essays in the county will be sent to the state society to compete for the state prize of \$25. The essays should be sent to the county health nurse, Miss Elizabeth Curtis, by Saturday, April 18th.

## BRAZOS COUNTY BOY GETS ON FRONT PAGE HOUSTON DISPATCH

Britten Henderson, Brazos county farm boy, is making a net profit of \$60 per month through raising White Leghorn chickens. He tends his poultry yard in addition to doing his regular farm chores and keeping up his studies at school. Since last December, according to his report to County Agent C. L. Beason at Bryan, Britten has sold 987 dozen eggs. He was winner of one of the trips to Chicago given by the Santa Fe Railroad recently.

The greatest hope for rural development in Texas lies in the youths of the State. They study profits, costs and efficient production methods as closely as the banker studies his ledgers or the business man his inventories. They are not averse to trying out new methods along scientific lines. In many communities they are teaching their elders, while at the same time they benefit from the experience of their elders.—Houston Post-Dispatch.

**UNDER NEW MANAGEMENT**  
Friday evening the Park's Jewelry Store will re-open under the ownership and management of J. T. S. Park. This store has been closed the past few days for the re-arrangement of stock and fixtures and for installing new purchases just arrived. A cordial invitation has been extended everyone to attend the opening at which light refreshments will be served, and the store's wares displayed to the best advantage.

## INFANT ABANDONED AT GIRLS DORMITORY STATE UNIVERSITY

(By Associated Press)  
AUSTIN, Apr. 9.—Faint, fretful cries of a sick baby disturbing the neighborhood before 3 o'clock Wednesday morning, led police to the discovery of a two months old infant abandoned on the steps of Newman Hall, Catholic dormitory for girls, at the University of Texas. Police were notified. When found the child was wrapped in three small blankets in a baby basket. The officers rushed it to the City Hospital, where it was found to have a temperature of 103 and to be in a serious condition from its exposure. No note or other marks by which the child could be traced were found in the basket, officers said, and they are at a loss as to the identity of the infant.

## DALLAS GOOD-WILL TOURING PARTY WILL REACH HERE MONDAY

The Dallas Chamber of Commerce Good Will Touring party of 100 representatives of business firms of Dallas, are now in East Texas and will arrive in Bryan on Monday, April 13th, at 11:12 o'clock in the morning and will leave at 11:45. They will have a brass band which will play a concert on the Main Street while the business men of the party visit the business firms of Bryan. The main purpose of this trip is that the Dallas business men may get acquainted with the heads of the Bryan business establishments and as a special favor they ask that the heads of the Bryan firms remain at their places of business during the time of the touring party's visit. The superintendent of schools has been asked to dismiss the children during the time the party is here in order that the students may come down town and get the souvenirs which will be passed out by members of the Good Will party.

## S. P. OFFERS PRIZES TO RADIO LISTENERS

The Southern Pacific Glee Club will broadcast a Sunset Limited Concert from the Magnolia Petroleum Company radio station, KFDM, at Beaumont, Texas, on the night of April 18th, 8 p. m. If those who intend to listen in will write W. C. McCormick, general passenger agent, Southern Pacific Lines, Houston, Texas, they will be sent "listening-in tickets," numbered in the order in which letters are received at Houston. Corresponding numbers will be drawn during the broadcast program and the three lucky numbers will win prizes of \$10 each and the names of the winners will be announced over the radio. The winners must then telegraph that they are among the listeners on that night.

## CONTEST BETWEEN BAPTIST CLASSES

At the monthly business meeting of the Friendship and the Homemakers classes of the First Baptist Sunday school, held with the teacher, Mrs. Albert Buchanan, a contest on membership was inaugurated. The Friendship class will compete with the Homemakers class, with the contest closing on Sunday, May 23rd. The losing class will entertain the winning class immediately following the close of the contest. As first vice president of the Homemakers, and in charge of membership, Mrs. G. W. Parkerson will lead that class with Mrs. Roy Nunn as assistant. Miss Mattie Sue Waite as vice president of the Friendship class will lead her class, assisted by Miss Artie Barron. Other lieutenants will be appointed to enlarge the activities of the contest, which begins on Sunday, April 12th.

## ALLEN ACADEMY WON FROM CAMERON HIGH BY BIG SCORE 13 TO 2

In a rather one-sided game on Allen Field on Monday afternoon the Allen cadet baseball team won an easy victory from the nine of Cameron high school by the wide margin of 13 to 2. The feature of the game was the hitting of Allen, they making 18 hits in all, which were led by home runs by Pausewang and Kelly. The batteries for Allen were: Pausewang, catcher; for Cameron: Tindall, pitcher, and Cheezes, catcher. Pausewang held the visitors to but three hits in seven innings and was relieved only to give him rest and not tire him out too much. The second game with Cameron was scheduled for this afternoon at 4 o'clock on Allen Field.

**MR. FENTON SERIOUSLY ILL**  
Sunday afternoon about 4 o'clock R. A. Fenton, contractor, who works for the Howell Lumber Company and makes his home with Mr. and Mrs. J. E. Covey on East 24th street was stricken with paralysis and today is resting in Bryan hospital, seriously ill but not dangerously so. Mr. Fenton was in the home alone when the attack came. He had been suffering for some weeks with pains in his head, but was not considered seriously sick. It is hoped he will soon recover.

## RANCHER KILLED WIFE WITH GUN

**SAN ANGELO MAN IS THOUGHT TO HAVE BECOME DEMENTED**

### SLASHED OWN THROAT

(By Associated Press)  
SAN ANGELO, Apr. 10.—Mrs. Jack Richardson is dead of gunshot wounds and her husband, a rancher, of near Merzon, is believed to be dying from cuts about the throat, according to reports received here today. The reports said that Richardson had shot his wife and then slashed his throat. Their son is said to have escaped by running after his father had attempted to beat him. Recent business reverses are thought to have unbalanced Richardson's mind. He was being brought this afternoon to San Angelo in an ambulance.

## PRESIDENT SONS OF HERMAN LODGE WAS VISITOR BRYAN TODAY

Julius Schram of Granger, president of the Sons of Herman Lodge in Texas, was in Bryan today, a guest of W. S. Howell. While here Mr. Schram visited the Eagle office and renewed friendship with the editor and brought greetings from friends in grand old Williamson county. Mr. Schram is one of the substantial business men of Williamson county, always taking an active part in the progress and growth of his home town and county, giving liberally of both his time and money. Mr. Schram also visited A. and M. College while here. He feels a special interest in the College, as his nephew, Ray Winger, of Burnet county is now a student at the College. He was much pleased with both College and Bryan and went on record as saying he believed "Bryan was one of the best towns in Texas to its size."

### DR. AND MRS. DUNN LEAVE

Dr. and Mrs. S. R. Dunn of Longview, who have been spending their honeymoon visiting Dr. Dunn's father, J. B. Dunn of Wheelock, and brothers, J. M. and R. B. Dunn and families, left today for home. While here Dr. and Mrs. Dunn were the inspiration for many social affairs and family reunions.

## METHODIST WOMAN'S MISSIONARY SOCIETY MEETING ON MONDAY

The Woman's Missionary Society of the First Methodist church met at the church Monday afternoon for the regular monthly business meeting. The president, Mrs. H. N. Cochran, called the society to order. After a song, Rev. H. H. McCain led the devotional, using two selections from the New Testament. The lesson showed plainly the sisterhood of the church.

Thirty members answered to roll call. This being the end of the first quarter, the quarterly reports were given. They showed much interest and good work in every department. The report of the officers to the conference officers were sent the first of the month. The general conference of the Woman's Missionary Society meets in Houston April 14th. Mesdames J. B. Priddy, H. R. Brayton and Dave Munday were chosen as delegates to represent our society at the conference. Mrs. H. N. Cochran led the closing prayer.

## "MA" APPOINTS SEC. EBERSTADT DELEGATE GOOD ROADS MEET

Governor Miriam A. Ferguson has named Secretary Sam E. Eberstadt as delegate from Brazos county to the Good Roads Association meeting in Houston April 20 to 25. Governor Ferguson expressed the desire to meet Secretary Eberstadt in person and hoped he would attend.

## MUSIC STUDY CLUB IN LAST MEETING

The last regular meeting of the Bryan Music Study club was held at the club rooms Thursday afternoon with a good attendance. Mrs. Gabe Cazell, president, presiding. This closed one of the most helpful years in the history of the club, not only to the members, but also to the people of Bryan. Perhaps the best indication of the trend of thought in any organization is found in their efforts to serve others. This being granted, the Bryan Music Study Club has been one of striking endeavor. Realizing the value of good music to a community, and believing it impossible to cultivate an appreciation of good music without hearing it, they brought to Bryan in October one of the most popular artists of the Metropolitan Opera Company for the pleasure and helpfulness of those who love and appreciate good music. Also, there were several open meetings where the best talent of the community did their part to

## SOME BRAZOS BOY IS GOING GET FREE TRIP TO CHICAGO IN FALL

Some boy in Brazos county, Texas, is going to win a free trip to the Fourth National Boys' and Girls' Club Congress in Chicago this fall. The Santa Fe Railway has just offered fifty-nine trips with all expenses paid to club winners in nine western states competing in crop or livestock projects. Texas is offered nineteen of these awards, which go to Arizona, Colorado, Illinois, Iowa, Kansas, Missouri, New Mexico, Oklahoma and Texas.

The trip will be awarded to the boy making the best record in crop or livestock projects in each of the winning counties traversed by the Santa Fe and having the services of a full time Agricultural Extension Agent under whose supervision the work is done. "Because we believe boys and girls club work to be most effective in promoting agricultural efficiency and prosperity," said the representative of the Santa Fe Railroad when offering these trips, "we want to do our part to co-operate with the boys and girls and their leaders."

**Trip Is An Inspiration.**  
This is the third year that the Santa Fe has offered champion club members educational trips to the Annual Club Congress held during the International Livestock Exposition in December, where 1,200 farm boys and girls from all over our country and Canada are royally entertained, instructed and justly praised as the hope of American agriculture.

Last year's winner from Brazos county was Britten Henderson of Kurten, and he returned with glowing accounts of strange and new sights seen in the great industrial center, with an enlarged vision of the relation between the country and with a determination to try more than ever to do the things the men and boys who took the blue ribbons home with them. Our farm boys and girls realize that now is the time to decide to win one of these trips to Chicago and hundreds of them are enrolling with the local county agents in 4-H club work in order to be able to carry their work in completion by autumn. Let's have a Brazos county boy bring down the Santa Fe trophy and be one of Texas' representatives at Chicago this fall.

### WEDDING INVITATION

Bryan friends today received wedding invitations as follows: "Mr. and Mrs. Peter Cuccia request the honor of your presence at the marriage of their daughter, Delia, to Mr. Charles Salvato, on Sunday morning, April twelfth, nineteen hundred twenty-five, at ten o'clock, Saint Joseph's church, Dickinson, Texas. Reception two to seven o'clock, Dickinson Picnic Hall. At home after April 24th, Bryan, Texas."

### BRYAN COTTON MARKET

## STEEP HOLLOW STORIES

(Special to Bryan Daily Eagle)  
STEEP HOLLOW, Apr. 9.—All the farmers are busy after the nice rain and are planting cotton. Mr. and Mrs. W. E. Moore and family spent Sunday with Mr. and Mrs. Billie Adkinson of College. Mr. and Mrs. Lee Hopkins spent the week-end with their parents, Mr. and Mrs. S. E. Walters of Iola and was accompanied home by her sister Miss Gertrude. Leslie Cody, Floyd Bram, Miss Jessie Deason and Mildred Foster of Bryan and Ella Robinson of Smetana spent Sunday in the home of Mrs. B. L. Foster and family. Rev. and Mrs. J. W. Handy and sons, Jim and Noble, spent Sunday at Edge.

## MASONIC EASTER SERVICE WILL BE HELD AT BAPTIST CHURCH SUNDAY

Ivanhoe Commandery No. 3 will hold their annual Easter Service this year at the First Baptist church with Sir Knight Jno. A. Held delivering the sermon on the occasion. The choir is preparing some special music. All Sir Knights will attend in full regalia and the public is especially invited to attend the beautiful service of the Knight Templar ritual. The Commandery is sponsor for the Order of Brazos County De Molays and are urging all DeMolays to attend this Easter service Sunday evening. Dr. W. B. Bizzell and Colonel C. C. Todd have given their approval for passes to be signed for all DeMolays who wish to attend. These passes should be secured at the earliest possible date so that L. E. Dowd, chairman of the Advisory Council of the Brazos County Order of De Molays may know how many seats to have reserved. There will be a meeting of the De Molays in the Masonic Hall on Saturday evening at 8 o'clock. All members are urged to attend. The newly elected officers are to be installed and other business of importance is to be transacted.

## GOLDEN RULE POULTRY FARM HEN LAYS TWO EGGS ONE MORNING

Barred Rock Hen No. 428, of the Golden Rule Poultry Farm, V. J. Boriskie, proprietor, at Shiloh community, "in the Shadow of the A. and M. College," is proof of the fact that a hen can and will lay two eggs in one day. This hen bears a numbered leg-band and is trapped-nested every time she lays. In fact, every laying hen on the farm is trapped-nested. She began to lay on January 20th, and did not miss a single day, laying for 77 consecutive days, until April 7. She missed the 7th and 8th, and then, as if to make up for one of the days lost, proceeded to lay two eggs on the morning of the 9th. Both eggs were laid within a few minutes of each other, around the hour of 9 o'clock. The first egg appears to be a perfect one, the second being somewhat irregular of shape, with a rough shell and imperfectly formed. V. J. Boriskie is keeping the two eggs as souvenirs of what a "Golden Rule" Barred Rock can do when she tries.

Mr. and Mrs. I. M. Cook of Steep Hollow were among the Bryan visitors today.

### Trip Is An Inspiration.

This is the third year that the Santa Fe has offered champion club members educational trips to the Annual Club Congress held during the International Livestock Exposition in December, where 1,200 farm boys and girls from all over our country and Canada are royally entertained, instructed and justly praised as the hope of American agriculture.

Last year's winner from Brazos county was Britten Henderson of Kurten, and he returned with glowing accounts of strange and new sights seen in the great industrial center with an enlarged vision of the relation between the country and with a determination to try more than ever to do the things the men and boys who took the blue ribbons home with them. Our farm boys and girls realize that now is the time to decide to win one of these trips to Chicago and hundreds of them are enrolling with the local county agents in 4-H club work in order to be able to carry their work in completion by autumn. Let's have a Brazos county boy bring down the Santa Fe trophy and be one of Texas' representatives at Chicago this fall.

### WEDDING INVITATION

Bryan friends today received wedding invitations as follows: "Mr. and Mrs. Peter Cuchia request the honor of your presence at the marriage of their daughter, Delia, to Mr. Charles Salvato, on Sunday morning, April twelfth, nineteen hundred twenty-five, at ten o'clock, Saint Joseph's church, Dickinson, Texas. Reception two to seven o'clock, Dickinson Picnic Hall. At home after April 24th, Bryan, Texas."

### BRYAN COTTON MARKET

There was no cotton market today, all exchanges being closed on account of Good Friday.

## MASONIC EASTER SERVICE WILL BE HELD AT BAPTIST CHURCH SUNDAY

Ivanhoe Commandery No. 8 will hold their annual Easter Service this year at the First Baptist church with Sir Knight Jno. A. Held delivering the sermon on the occasion. The choir is preparing some special music. All Sir Knights will attend in full regalia and the public is especially invited to attend the beautiful service of the Knight Templar ritual. The Commandery is sponsor for the Order of Brazos County De Molays and are urging all DeMolays to attend this Easter service Sunday evening. Dr. W. B. Bizzell and Colonel C. C. Todd have given their approval for passes to be signed for all DeMolays who wish to attend. These passes should be secured at all DeMolays who wish to attend. The passes should be secured at the earliest possible date so that L. E. Dowd, chairman of the Advisory Council of the Brazos County Order of De Molays may know how many seats to have reserved. There will be a meeting of the De Molays in the Masonic Hall on Saturday evening at 8 o'clock. All members are urged to attend. The newly elected officers are to be installed and other business of importance is to be transacted.

## TWO KILLED IN NORTH TEXAS FROM HEAVY RAIN STORMS OF WEDNESDAY

**Oklahoma and North, East and Northwest Parts of Texas Visited by Heavy Rains to Break Long Drought—Man Electrocuted at Denison and Negro Killed Near Paris—Hail Accompanies Storm.**

(By Associated Press)  
DALLAS, April 9.—Heavy rains over sections of the Panhandle and the Northwest, northern, and eastern sections of Texas fell last night, breaking the long drought. A several months' drought was also broken in many sections of Oklahoma. A considerable amount of damage is reported to have been caused by a storm which swept through Denison along the Red River to Paris. A man was electrocuted at Denison and a negro was reported to have been killed near Paris. The storm in some places was accompanied by a heavy fall of hail.

### FARM HOME WRECKED

(By Associated Press)  
GAINESVILLE, Apr. 9.—Eight farm houses are reported to have been wrecked and household goods destroyed by the windstorm which struck Love County, Oklahoma, near the Red River, 20 miles northeast of here, late yesterday. This section was drenched with a five-inch rain.

### STEEP HOLLOW STORIES

(Special to Bryan Daily Eagle)  
STEEP HOLLOW, Apr. 9.—All the farmers are busy after the nice rain and are planting cotton. Mr. and Mrs. W. E. Moore and family spent Sunday with Mr. and Mrs. Billie Adkinson of College. Mr. and Mrs. Lee Hopkins spent the week-end with their parents, Mr. and Mrs. S. E. Walters of Iola and was accompanied home by her sister Miss Gertrude. Leslie Cody, Floyd Bram, Miss Jessie Deason and Mildred Foster of Bryan and Ella Robinson of Smetana spent Sunday in the home of Mrs. B. L. Foster and family. Rev. and Mrs. J. W. Handy and sons, Jim and Noble, spent Sunday at Edge.

## LONE BANDIT IN FT. WORTH CASE

**TRACTION COMPANY OFFICE IS SHORT \$800 AS RESULT OF BANDIT VISITOR**

### CASHIER UNCONSCIOUS

(By Associated Press)  
FT. WORTH, Apr. 10.—The Northern Texas Traction Company's branch ticket office here was robbed of \$800 in cash this morning. Cashier S. G. Hayes was assaulted and left unconscious on the floor where he was found by the negro janitor. Hayes says the bandit worked single-handed and was unmasked.

## A MUTE APPEAL FOR RELIGION OF SERVICE

True stories often read like fiction. Mrs. G. G. Foster of this city has but recently returned from a visit to Bourne, Texas, where there is a little tuberculosis colony trying to conduct religious services under handicaps of financial nature. It is a pitiful story of the lives of some of the ex-service men, women and children of their families, and others, who are suffering from tuberculosis and have gone to Bourne where God's fresh air and sunshine give them the promise of health regained. They are but living as best they can from day to day. Not one of them owns his home, yet they have tried to build there a house for God. There are 25 members in the church, seven of which are children, and all of them tubercular. The Reverend S. P. Harris is the pastor of this little flock and receives a very small salary per year. Out of his meager pay he has donated \$100 to the \$1,000 debt on the little church and this has been supplemented by friends to the amount of \$112, leaving a balance of \$778 still due and must be paid or the little church will be lost for the debt, which must not occur as this is the only Baptist house of worship in the whole of Kendall county.

Any Amount Welcomed  
Mrs. Foster has undertaken to raise this needed sum and is asking for donations, not only from people of Baptist affiliation or inclination, but from all those interested in God's work and in people who are handicapped by lack of health and strength, who yet try to conduct religious services and have erected a house in which to carry on divine worship. She announces that any amount contributed will be gratefully received and forwarded to a thankful congregation at Bourne—large and small gifts alike welcome. "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me." Remember your own good health and strength, remember the bright eyes and rosy cheeks of your own families and help these poor tubercular people to save their little house of worship. Contributions should be mailed to Mrs. G. G. Foster, Box 728, Bryan, Texas.

## GOLDEN RULE POULTRY FARM HEN LAYS TWO EGGS ONE MORNING

Barred Rock Hen No. 428, of the Golden Rule Poultry Farm, V. J. Boriskie, proprietor, at Shiloh community, "in the Shadow of the A. and M. College," is proof of the fact that a hen can and will lay two eggs in one day. This hen bears a numbered leg-band and is trap-nested every time she lays. In fact, every laying hen on the farm is trap-nested. She began to lay on January 20th, and did not miss a single day, laying for 77 consecutive days, until April 7. She missed the 7th and 8th, and then, as if to make up for one of the days lost, proceeded to lay two eggs on the morning of the 9th. Both eggs were laid within a few minutes of each other, around the hour of 9 o'clock. The first egg appears to be a perfect one, the second being somewhat irregular of shape, with a rough shell and imperfectly formed. V. J. Boriskie is keeping the two eggs as souvenirs of what a "Golden Rule" Barred Rock can do when she tries.

Mr. and Mrs. I. M. Cook of Steep Hollow were among the Bryan visitors today.

## HALF AND HALF COTTON

Many Upshur county farmers are abandoning their half-and-half cotton, finding that there is not always a market for it. Some here have sold recently for more than two cents below the market of long staple. Others have had trouble selling at all.—Glimmer Mirror.

In Gourdania, where the people raise gourds for a living, there was one farmer who insisted upon raising runty gourds. "A gourd's a gourd," he said, "and I can raise a dozen knotty little gourds where my neighbor raises two or three quart sizes." It was urged upon him that the demand for little gourds was small, and unreliable. They were used mostly by sock darners, and sock darning was almost out of fashion since the women were given votes. "Look at my big, round gourds," said his neighbor. "They are used for soap dishes, water dippers, home brew holders, sugar bowls, work baskets, gravy boats and a dozen other things. I can always sell my gourds at a fair price, while your runty little gourdlets are a drug on the market and always cheap." But the advocate of runty gourds insisted that he would rather raise little gourds and lots of them, so he kept at it until he died and his widow sold her milch cow to pay for his coffin. Well, half-and-half cotton is runty cotton. It is hard to sell, and the price is always down. It is but one or two degrees above the best linters scratched off the seed at the cotton oil mills. It competes with linters, and everybody knows how reluctantly anybody buys linters. Just now, extra long staple cotton is commanding a considerable premium, so said. It is said to be in demand by the manufacturers of balloon tires. But it isn't necessary to go in for extra long cotton. Good quart-size cotton is always in demand.—State Press in Dallas News.

## BRYAN HIGH PRODUCT

Christopher Cortemeglia, Bryan high product, is showing splendid form in the field events with the S. M. U. track team. The former Bryan star is also apt to develop into a great football player next year. Too much was expected of him last year, and the jump from prep school to the conference class was perhaps a bit broader than the Wonderful Boy realized. He has the speed, and the power, however, and if he can improve a bit defensively, as well as learn to think a bit quicker, he will prove S. M. U.'s outstanding star, provided, of course, that he takes care of himself as he should.—Jinx Tucker in Waco News-Tribune.

## WORTH OF GOOD ROADS

The Pampa News comments as follows on the worth of good roads: "Good roads mean prosperity; they mean progress; they mean education; they mean a full life, worth living; they mean the greatest amount of knowledge; they mean greater profits from farm produce because they cost less to haul over good roads. Good roads everywhere means prosperity and happiness everywhere. Those are some of the reasons why we are for good roads."

A good resolution for most folks to make would be to rear their own children and not leave it to the neighbors and streets. The home is the foundation of all good and the home of today and tomorrow is not any better nor will not be any better than the men and women in that home. Better than passing so many laws, better than trying to regulate the conduct of others so much is the plan of looking carefully after our own selves, our own conduct and making these conform to the ideals of real service.

In due course of time the public in general is going to get the impression that it is barely possible that William Shepherd would rather like to get out of jail.

Page our good friend Sam Miller of the Mineral Wells Index for we want to know if it is wild flowers you see at wild parties.

It was the girl from Mineral Wells who thought it was a careless auto driver that "ran across a friend of his down town."

Happiness is the product of serving others.

## BRYAN DELEGATES CAMP

NO. 104 OFF TO SAN ANTONIO ATTEND GRAND ENCAMPMENT

J. W. Hamilton, past council commander and T. A. Satterwhite, as delegates from Bryan Camp 104, left Sunday night for San Antonio to attend the State Grand Encampment of the Woodmen of the World. Mrs. Willie Johnson goes as a delegate from the Woodman Circle.

## CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Kidney and Bladder Pills. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 35c. Sold by JENKINS' DRUG STORE

## WEDDING ANNOUNCEMENT

Today's mail brought handsome wedding announcements to Bryan friends, which read as follows: "Mr. and Mrs. John William Greer announce the marriage of their daughter, Inez May, to Mr. James Harold Hill on Friday, the third of April, nineteen hundred and twenty-five, Winter Park, Florida. Mr. and Mrs. James Harold Hill will be at home after the fifteenth of April, Boulevard Apartments, Winter Park, Florida." This will be a bit of interesting news to Bryan folks as the Greer's formerly made their home in Bryan, Mr. Greer serving the city as manager for some years.

## ANOTHER NEW HOME FOR COLLEGE BOULEVARD

Dirt was broken Monday for laying the foundation of the cottage home of Mr. and Mrs. B. T. Poole on College Boulevard, near the Boy Scout house. This home is to be a frame building, five rooms with all modern conveniences, and all built in furniture features for comfort and usefulness. Open porches will give added attractiveness. When completed this will be one more added to the already long list of beautiful new cottage homes built on College boulevard and which are adding so much to the comfort and growth of a bigger Bryan.

## JNO. A. STASNY IS ELECTED PRESIDENT OF COUNTY BUREAU

A splendid meeting of the Brazos County Farm Bureau was held at the County Court House on Saturday afternoon with some 75 members in attendance. The meeting was presided over by Jno. Stasny, vice president. Officers for the ensuing year were elected as follows: Jno. Stasny, president; J. A. Henry, vice president; J. A. Tobias, treasurer; R. E. Buchanan, district agent for the cotton association; R. E. Buchanan was elected as secretary and reporter. The County Advisory Board who are also community leaders, were elected and are as follows: Edger, W. H. George and J. A. Ryckhoff; Riversides, J. J. Holik, A. P. Merka, P. H. Wehrmann and John Turek; Bryan, J. A. Henry and J. P. Lutz; Kurten, C. H. Baird, C. G. Gerka and Antonio Conrad; Rock Prairie, J. L. Stasny.

## Nineteen Cents To Date.

A report in regard to cotton sales by the Texas Farm Bureau Cotton Association for the 1924 crop was read and was highly pleasing to everyone present who delivered their cotton to this co-operative organization the past season. This report was read by R. E. Buchanan, district agent for the association, who stated that the association has just completed a payment to all members on the 1924 crop which brings the amount paid to each farmer to 19 cents per pound, middling basis. This leaves another payment yet to be made which judging by the report read should be very satisfactory to all members as the association has received some splendid prices for their cotton, according to the report.

Plans were made by the county Farm Bureau to organize this county as thoroughly as possible during the coming year. Brazos county is reported to have delivered more than 800 bales to the association during 1924 and that the recent payment brought approximately \$8,000 cash to the members in this county at a time it is badly needed by them in starting the next year's operations.

## BRYAN REVIEW ENJOY SOCIAL MEETING AND INITIATION CEREMONY

Bryan Review, No. 120, Woman's Benefit Association of Macabees held their regular meeting Friday night and it was a combined business and social meeting with initiation of Mrs. H. P. Smith and Mrs. Katie Brockman into the mysteries of the order. Mrs. J. R. Wright, commander, presided, and other officers were: Mrs. Chas. Hillier, lieutenant commander; Mrs. J. W. Hamilton, chaplain; Mrs. Hannah McDowell, past commander; Mrs. Alf Patterson, sergeant; Mrs. Leslie Beal, record keeper; Mrs. C. G. Walker, collector; Mrs. Pat Patterson, lady-at-arms; Mrs. A. D. Graham, captain of the guard; Mrs. H. T. Holland, finance. In the drawing for the cake, Mrs. Forrest Jones was the lucky winner. During the social hour that followed good fellowship reigned supreme and a most enjoyable time was had. Refreshments of chicken salad, olives, potato chips and ice tea were served.

## BRYAN MASONS ATTEND INITIATION AT WHEELOCK

Guy Harris and Vistor Harris of Bryan were initiated into Hemphill Masonic Lodge of Wheelock Friday night, taking their Masters' Degree. They were accompanied to Wheelock by Dr. C. A. Searcy, Walter Holden, S. C. Hoyle and Tom Powers. Hundreds of Masons from the adjoining towns, Franklin, Hearne and North Zuleh, attended the meeting. Following the work refreshments of sandwiches and beverages were served. Dr. Searcy and S. C. Hoyle assisted in the work and both delivered splendid lectures, exemplifying the beauties and principles of Masonry.

## STOP THAT ITCHING

No matter how hopeless your case may seem, nor how long you have suffered eczema, itch, sores on children, poison oak, ring worm, tetter or old sores, we will sell you a jar of Blue Star Remedy on a guarantee. This is different from the ordinary skin remedy, as it penetrates the skin, going direct to the seat of trouble and immediately relieves that terrible itching. Will not stain clothing, and has a pleasant odor. ROMAN & VICK—Adv.

## TWO CARS SMASHED UP IN COLLISION ON COLLEGE ROAD SUNDAY

Sunday morning while driving south on College avenue about a mile out of town in Mrs. A. B. Ewing's Ford car, J. R. Fain collided with another Ford driven by a negro in the employ of the Gulf Tire Company of Houston. Mrs. Ewing's car had a tender, front axle and wheel damaged, while the one occupied by the negro sustained more serious damages. No one was hurt in the accident. It is claimed the negro was driving rapidly, and in an effort to avoid collision he applied his brakes suddenly, which caused his car to skid on the curve in front of the car Mr. Fain was driving with the result that he was precipitated into the ditch. The cars are being repaired at the expense of the Gulf Tire Company of Houston, employers of the negro driver of the second car.

## RICHARD CROSBY IS SLIGHTLY INJURED WHEN HIT BY A CAR

Richard Crosby of A. and M. College was somewhat bruised about the back and received a small gash in the head as a result of being hit by a car being driven by Dr. Lamar Jones, the accident being termed as unavoidable. The accident happened on Saturday noon on College avenue. A. D. Martin and Richard Crosby had come in to town in Mr. Key's car. At the latter residence they got out of the car and started to cross the street. Mr. Martin says that he saw the Lamar Jones car, in which were Dr. and Mrs. Jones, coming up the street. He said he thought Crosby saw the car, too, but evidently had not done so. The driver, said Mr. Martin, first attempted to pass between Mr. Crosby and the curb, and then seeing that he could not do that, tried to swerve to the other side. Crosby was hit, however, by the front bumper, and hurled about 10 or 15 feet to the pavement. He was taken to the hospital where he received treatment and is but little worse for the accident which might have resulted seriously.

## TEXAS PROGRAM IS ENJOYED BY KURTEN PEOPLE ON SATURDAY

The residents of Kurten enjoyed a rare treat on Saturday night at the regular meeting of the Kurten Community Club. Our able president, Hamp Buchanan, called the meeting to order with appropriate opening remarks, and songs. Miss Johnnie Sabo presided at the piano, while the audience sang "The Battle Hymn of the Republic." Mr. Buchanan then requested Mesdames Leland, Sherwood, Marsh and McDonald of College to take charge of the meeting. They gave us their "Tribute to Texas," the same that they had given to the Women's Club and the Bryan Rotary Club.

This "Tribute to Texas" includes much more than the title implies. The introduction, by Mrs. Leland was a thrilling account of our brave Texas heroes of the Alamo and many other noted Texans. She closed this account with vocal selections bearing on the same subject. She was accompanied on the piano by Mrs. Marsh.

Then Mrs. Sherwood displayed noted pictures of our wonderful Texas Blue Bonnets, followed by a graphic botanical description of the plant. She informed us that the Blue Bonnet belong to the pea family, and like other peas, enriches the soil where it abounds. Mrs. Leland then gave us an appropriate Blue Bonnet song. She was accompanied on the piano by Mrs. Marsh.

Mrs. McDonald followed with an interesting sketch of the romance of Texas. She gave us vivid, mental pictures of the early cowboy life in Texas. Mrs. Leland rendered some catchy cowboy songs.

Mrs. Marsh rendered "Turkey in the Straw" with all its variations, on the piano.

Mrs. Leland then requested the audience to join her in singing "Texas, Our Texas," our official state song. She presented a copy to the Kurten teachers.

Messrs. Munson, Parks, Cox and Ratcliffe, active members of the Bryan Lions Club, each made interesting and instructive talks, all exalting Texas, our grand Lone Star State.

Delicious angel food cake and grape juice was served to our entertainers. Our community club gets better each time. Come out and see for yourself. —REPORTER

## J. J. BROWN OF AUSTIN IS TAKEN ILL WHILE ON WAY TO COLLEGE FROM HEARNE

J. J. Brown, assistant director of Vocational Agriculture, in the state department of education, Austin was stricken with an acute attack of gall stones while on his way from Hearne to College Station this morning, in an auto, in company with C. L. Davis, director of agriculture. He was forced to stop at the Bryan Hospital for expert attention. He suffered this morning to a great extent but is expected to be able to leave the hospital this afternoon. He is a graduate of the A. and M. College in the class of 1912.

Saturday	72	54
Sunday	80	56
Average	79	56

## EASTERLY PARTY WILL JOIN PECAN BUDDERS AT EDGE MAY SIXTH

C. E. Kinsey and two sons, O. W. and V. W. Kinsey, of Easterly, were in Bryan today, having come down to take part in the pecan budding demonstration. The county agent informed Mr. Kinsey that pecan day was set for May 6th instead of April 6th, as Mr. Kinsey understood it to be. Mr. Kinsey lives on Dr. A. Caswell Ellis' farm near Easterly, and since Dr. Ellis has for a number of years been propagating paper shell pecans by budding on to native stock, Mr. Kinsey is interested in learning the methods used by others. He will join the crew that meets at Edge on May 6th.

## JAMES PIPKIN, GEO. MARTIN, EWIN GABY NAMED BY DE MOLAY

The Brazos Chapter, Order of De Molays, held a meeting Saturday night at 8 p.m. in the Masonic building and elected the following officers for the year 1925, as follows: James Pipkin, M. C.; Geo. Martin, S. C.; Ewin Gaby, J. C. The other officers will be appointed and announced at the next meeting.

The DeMolay degree was conferred upon R. E. Damsby and Ewin Gaby, after which L. E. Dowd, chairman of the Advisory Council, talked to the members about perfecting themselves in the work and building up the order.

The new members also made interesting talks and told of their appreciation of the work.

## Next Meeting Saturday.

J. D. Martin, G. A. Long, S. C. Hoyle and W. A. Duncan, were present and represented the Masonic Lodge at the meeting, each doing his part to encourage the boys in exemplifying the principles of the order in the hall as well as in daily life.

The next meeting will be held in the Masonic hall Saturday evening at 8 p.m. and the parents of the DeMolays should urge all their boys who are members to be present while each DeMolay should make a sacrifice to be on hand and contribute to the success of the order. Each boy will get out of the order all that he puts into it, with compound interest in happiness, character and life.

## MRS. A. J. BUCHANAN WILL RECEIVE GIFTS FOR TORNADO AREAS

As Brazos county representative for the American Red Cross, Mrs. Albert Buchanan, local home service secretary, A. R. C., has received official notification from W. M. Baxter, Jr., assistant to the vice chairman of the A. R. C., at St. Louis, Mo., appealing for funds for the relief of the suffering families in the storm-stricken area in Southern Illinois, Missouri and Indiana. The American Red Cross as an organization has been requested to assume the entire responsibility for relief operation in this dire disaster. The urgent need at this time is for cash, and the need is great. No canvass will be made in Brazos county, but Mrs. Buchanan is instructed by the division office at St. Louis, Mo., to receive any and all donations and forward same to division headquarters at once.

## AGGIE BAND CONCERTS ARE SUSPENDED FOR TWO WEEKS

(Special to Bryan Daily Eagle, 9.)  
COLLEGE STATION, Apr. 9.—The regular Sunday afternoon band concerts of the Aggie Band will be suspended for the next two Sundays. Band Conductor Richard J. Dunn announced yesterday. He stated that a number of band members would be away this Sunday and the following Sunday the entire organization will make the trip to Corsicana where they will enter the band contest of the East Texas Band Teachers' Association.

Wm. Hudspeth of Tabor was in Bryan Saturday.

## CHAMBER COMMERCE IN DISCUSSION ABOUT ADVERTISING SCHEMES

Most of the regular meeting hour of the Board of Directors of the Bryan and Brazos County Chamber of Commerce was taken up this morning in a discussion of the work of the advertising and soliciting committee in keeping fakers from obtaining money in Bryan, or prohibiting schemes that are not of sufficient merit. He first announced for the membership committee the following new members: H. L. Russell, M. E. McCartney, E. B. Service, Corner and H. P. Snapp.

Eighteen men and four women were refused endorsement by the advertising and soliciting committee because of lack of merit, during the past week, the secretary reported. He added that some of them seemed to border on fraud. To prove the latter statement he said that it had been reported that three of them had jumped an \$80 hotel bill in Bryan and that the Sheriff here had been instructed by sheriffs at other points to hold these same three.

## People Should Co-Operate.

This committee, with Secretary Eberstadt as chairman has rendered valuable service and only this past week have saved the Bryan business men and citizens about \$1,200. If the people would back up this committee and refuse business to those who do not have endorsements, they would be helping themselves and those who are working for the best interests of Bryan. If support is not lent the committee, it is going to refuse to function further. It is doing a very valuable work and is now functioning as it should but needs greater co-operation on the part of the business men and townpeople in general.

The secretary requests that when you are solicited, you ask, "Have you an endorsement from the Chamber of Commerce?" If the solicitor has none, then refuse him for you may know that successful business men have already studied his proposition and found it of little or no merit.

A motion carried that every one in Bryan be especially urged to back up this committee in carrying out to successful completion its most valuable work.

## City Water Healthful.

J. D. Martin, chairman of the highway committee reported that the division engineer would be here in a few days and that the highway committee would take him over some of the roads that the committee wanted inspected. He also reported for the arrangements committee of the Bowers-Barron honorary banquet at College, stating that the date had been changed from Tuesday night, April 14, to Monday night, April 13th.

Dr. W. B. Bizzell next addressed the members on matters of moment to Bryan and College. City Manager J. Bryan Miller stated that he had received a communication from the state health officer that the Bryan water had been tested and found to be not only pure but that it was healthful for people to drink. He also reported the clean-up campaign well under way and that the city was well organized for it. He emphasized the fact that the clean-up would not end with this week but would be stressed through the year.

Those present were: Dr. W. B. Bizzell, Dr. F. C. Bolton, W. H. Cole, E. J. Fountain, Mayor Tyler Haswell, J. Webb Howell, F. L. Henderson, W. S. Higgs, J. M. Gordon, John M. Lawrence, T. K. Lawrence, J. Bryan Miller, J. D. Martin, L. L. McInnis, M. L. Parker, Mrs. Lee J. Rountree, A. M. Waldrop, D. L. Wilson, M. E. Wallace.

## MRS. H. N. COCHRAN GOT HAND CUT WITH AXE ON LAST SATURDAY NIGHT

While cleaning up the rear of their home on last Saturday evening, Mr. Cochran was splitting some boards with an axe and his wife was standing near. The head came off the axe and Mrs. Cochran caught it, but the blade struck her hand, badly gashing a finger and it came near severing the member from her hand. The wound seems to be getting along nicely now, however, and what might have been a quite serious injury, had a most fortunate ending.

## FOR HOME AND STABLE

The following new books have been recently placed in circulation at Bryan Carnegie Library: Arrowmith, Sinclair Lewis; Geological Story, Dana; Geology of Carolinians, and Historical, Cleland; Carolinians, Sabatini; Father Abraham, I. Bacq; Nin, S. Ertz; Reckless Lady, Philip Elitts; Old Ladies, H. Walpole.

Happy Isle, by Basil King, and Who Is Who in Music and Drama have been borrowed without leaving a record in the library. Won't you please return these books on or before Friday, April 10th. This one day in each week will be set aside for books that are over-due to be brought in. No questions will be asked or fines required if the books that are over-due are returned on Friday of each week.

The library is open every day, except Sunday. The reading room is open from 8:30 a. m. to 5:30 p. m. Books are given out from 9:30 a. m. to 12 and from 2 to 5:30 p. m.

Some books have been recently contributed by a friend of the library and such gifts are very much appreciated by the board of directors and the librarian.

## JOE T. MCGEE INJURED IN FALL ON PAVEMENT

As Joe T. McGee endeavored to get out of a car in which he had been riding with George Edge, his foot caught in some manner and he fell, his head striking the pavement with considerable force. A crowd quickly gathered at the scene, the City National Bank corner, and Mr. McGee was rushed to medical attention. The accident happened about 3:30 o'clock this afternoon.

## A Symbol of Human Brotherhood

COFFEE, more than ever before, takes a place of distinction in world affairs.

Coffee, with Bread and Bacon, was one of the three nutritive essentials that helped win the World War.

The new age, ushered in by the peace of Versailles and the Washington Conference, has for its handmaidens temperance and self control.

It is to be a world democracy of right living and clear thinking; and among its most precious adjuncts is COFFEE, because this beverage must always be associated with rational living, with greater comfort and with better cheer.

### HALF AND HALF COTTON

Many Upshur county farmers are abandoning their half-and-half cotton, finding that there is not always a market for it. Some have sold recently for more than two cents below the market of long staple. Others have had trouble selling at all.—Glimmer Mirror.

In Gourdiana, where the people raise gourds for a living, there was one farmer who insisted upon raising runty gourds. "A gourd's a gourd," he said, "and I can raise a dozen knotty little gourds where my neighbor raises two or three quart sizes." It was urged upon him that the demand for little gourds was small, and unreliable. They were used mostly by sock darners, and sock darning was almost out of fashion since the women were given votes. "Look at my big, round gourds," said his neighbor. "They are used for soap dishes, water dippers, home brew holders, sugar bowls, work baskets, gravy boats and a dozen other things. I can always sell my gourds at a fair price, while your runty little gourds are a drug on the market and always cheap." But the advocate of runty gourds insisted that he would rather raise little gourds and lots of them, so he kept at it until he died and his widow sold her milk cow to pay for his coffin. Well, half-and-half cotton is runty cotton. It is hard to sell, and the price is always down. It is but one or two degrees above the best linters scratched off the seed at the cotton oil mills. It competes with linters, and everybody knows how reluctantly anybody buys linters. Just now, extra long staple cotton is commanding a considerable premium, so said. It is said to be in demand by the manufacturers of balloon tires. But it isn't necessary to go in for extra long cotton. Good quart-size cotton is always in demand.—State Press in Dallas News.

### BRYAN HIGH PRODUCT

Christopher Cortemeglia, Bryan high product, is showing splendid form in the field events with the S. M. U. track team. The former Bryan star is also apt to develop into a great football player next year. Too much was expected of him last year, and the jump from prep school to the conference class was perhaps a bit broader than the Wonderful Wop realized. He has the speed, and the power, however, and if he can improve a bit defensively, as well as learn to think a bit quicker, he will prove S. M. U.'s outstanding star, provided, of course, that he takes care of himself as he should. —Jinx Tucker in Waco News-Tribune.

### WORTH OF GOOD ROADS

The Pampa News comments as follows on the worth of good roads: "Good roads mean prosperity; they mean progress; they mean education; they mean a full life, worth living; they mean the greatest amount of haulage; they mean greater profits from farm produce because they cost less to haul over good roads. Good roads everywhere means prosperity and happiness everywhere. Those are some of the reasons why we are for good roads."

A good resolution of most folks to make would be to rear their own children and not leave it to the neighbors and streets. The home is the foundation of all good and the home of today and tomorrow is not any better nor will it be any better than the men and women in that home. Better than passing so many laws, better than trying to regulate the conduct of others so much is the plan of looking carefully after our own selves, our own conduct and making these conform to the ideals of real service.

In due course of time the public in general is going to get the impression that it is barely possible that William Shepherd would rather like to get out of jail.

Page our good friend Sam Miller of the Mineral Wells Index for we want to know if it is wild flowers you see at wild parties.

It was the girl from Mineral Wells who thought it was a careless auto driver that "ran across a friend of his down town."

Happiness is the product of serving others.

BRYAN DELEGATES CAMP NO. 104 OFF TO SAN ANTONIO ATTEND GRAND ENCAMPMENT

J. W. Hamilton, past council commander and T. A. Satterwhite, as delegates from Bryan Camp 104, left Sunday night for San Antonio to attend the State Grand Encampment of the Woodmen of the World. Mrs. Willie Johnson goes as a delegate from the Woodman Circle.

### CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few drops of White's Cream Vermifuge. It does not irritate the bowels without the slightest injury to the health or activity of the child. Price 35c. Sold by JENKINS' DRUG STORE

### WEDDING ANNOUNCEMENT

Today's mail brought handsome wedding announcements to Bryan friends, which read as follows: "Mr. and Mrs. John William Greer announce the marriage of their daughter, Inez May, to Mr. James Harold Hill on Friday, the third of April, nineteen hundred and twenty-five, Winter Park, Florida. Mr. and Mrs. James Harold Hill will be at home after the fifteenth of April, Boulevard Apartments, Winter Park, Florida." This will be a bit of interesting news to Bryan folks as the Greer's formerly made their home in Bryan, Mr. Greer serving the city as manager for some years.

### ANOTHER NEW HOME FOR COLLEGE BOULEVARD

Dirt was broken Monday for laying the foundation of the cottage home of Mr. and Mrs. B. T. Poole on College Boulevard, near the Boy Scout house. This home is to be a frame building, five rooms with all modern conveniences, and all built in furniture features for comfort and usefulness. Open porches will give added attractiveness. When completed this will be one more added to the already long list of beautiful new cottage homes built on College boulevard and which are adding so much to the comfort and growth of a bigger Bryan.

### JNO. A. STASNY IS ELECTED PRESIDENT OF COUNTY BUREAU

A splendid meeting of the Brazos County Farm Bureau was held at the County Court House on Saturday afternoon with some 75 members in attendance. The meeting was presided over by Jno. Stasny, vice president. Officers for the ensuing year were elected as follows: Jno. Stasny, president; J. A. Henry, vice president; J. A. Tobias, treasurer; R. E. Buchanan, district agent for the cotton association; R. E. Buchanan was elected as secretary and reporter. The County Advisory Board who are also committee leaders, were elected and are as follows: Edge, W. H. George and J. A. Ryckhik; Riverside, J. J. Holik, A. P. Merka, P. H. Wehrmann and John Turek; Bryan, J. A. Henry and J. P. Lutz; Kurten, C. H. Baird, C. G. Gerka and Anthony Conrad; Rock Prairie, J. L. Stasny.

### Nineteen Cents To Date

A report in regard to cotton sales by the Texas Farm Bureau Cotton Association for the 1924 crop was read and was highly pleasing to everyone present who delivered their cotton to this co-operative organization the past season. This report was read by R. E. Buchanan, district agent for the association, who stated that the association has just completed a payment to all members on the 1924 crop which brings the amount paid to each farmer to 19 cents per pound, middling basis. This leaves another payment yet to be made which judging by the report read should be very satisfactory to all members as the association has received some splendid prices for their cotton, according to the report.

Plans were made by the county Farm Bureau to organize this county as thoroughly as possible during the coming year. Brazos county is reported to have delivered more than 800 bales to the association during 1924 and the recent payment brought approximately \$8,000 cash to the members in this county at a time it is badly needed by them in starting the next year's operations.

### BRYAN REVIEW ENJOY SOCIAL MEETING AND INITIATION CEREMONY

Bryan Review, No. 120, Woman's Benefit Association of Macahees held their regular meeting Friday night and it was a combined business and social meeting with initiation of Mrs. H. P. Smith and Mrs. Katie Brockman into the mysteries of the order. Mrs. J. R. Wright, commander, presided, and other officers were: Mrs. Chas. Hillier, lieutenant commander; Mrs. J. W. Hamilton, chaplain; Mrs. Havnah McDowell, past commander; Mrs. Alf Patterson, sergeant; Mrs. Leslie Beal, record keeper; Mrs. C. G. Walker, collector; Mrs. Pat Patterson, lady-at-arms; Mrs. A. D. Graham, captain of the guard; Mrs. H. T. Holland, finance. In the drawing for the cake, Mrs. Forrest Jones was the lucky winner. During the social hour that followed good fellowship reigned supreme and a most enjoyable time was had. Refreshments of chicken salad, olives, potato chips and ice tea were served.

### BRYAN MASONS ATTEND INITIATION AT WHELOCK

Guy Harris and Victor Harris of Bryan were initiated into Hemphill Masonic Lodge of Wheelock Friday night, taking their Masters' Degree. They were accompanied to Wheelock by Dr. C. A. Searey, Walter Holden, S. C. Hoyle and Tom Powers. Hundreds of Masons from the adjoining towns, Franklin, Hearne and North Zulch, attended the meeting. Following the work refreshments of sandwiches and beverages were served. Dr. Searey and S. C. Hoyle assisted in the work and both delivered splendid lectures, exemplifying the beauties and principles of Masonry.

### STOP THAT ITCHING

No matter how hopeless your case may seem, nor how long you have suffered eczema, itch, sores on children, poison oak, ring worm, tetter or old sores, we will sell you a jar of Blue Star Remedy on a guarantee. This is different from the ordinary skin remedy, as it penetrates the skin, going direct to the seat of trouble and immediately relieves that terrible itching. Will not stain clothing, and has a pleasant odor. ROMAN & VICE—Adv.

## TWO CARS SMASHED UP IN COLLISION ON COLLEGE ROAD SUNDAY

Sunday morning while driving south on College avenue about a mile out of town in Mrs. A. B. Ewing's Ford car, J. R. Fain collided with another Ford driven by a negro in the employ of the Gulf Tire Company of Houston. Mrs. Ewing's car had a fender, front axle and wheel damaged, while the one occupied by the negro sustained more serious damages. No one was hurt in the accident. It is claimed the negro was driving rapidly, and in an effort to avoid collision he applied his brakes suddenly, which caused his car to skid on the curve in front of the car Mr. Fain was driving with the result that he was precipitated into the ditch. The cars are being repaired at the expense of the Gulf Tire Company of Houston, employers of the negro driver of the second car.

## RICHARD CROSBY IS SLIGHTLY INJURED WHEN HIT BY A CAR

Richard Crosby of A. and M. College was somewhat bruised about the back and received a small gash in the head as a result of being hit by a car being driven by Dr. Lamar Jones, the accident being termed as unavoidable. The accident happened on Saturday noon on College avenue. A. D. Martin and Richard Crosby had come in to town in Mr. Key's car. At the latter residence they got out of the car and started to cross the street. Mr. Martin says that he saw the Lamar Jones car, in which were Dr. and Mrs. Jones, coming up the street. He said he thought Crosby saw the car, too, but evidently had not done so. The driver, said Mr. Martin, first attempt to pass between Mr. Crosby and the curb, and then seeing that he could not do that, tried to swerve to the other side. Crosby was hit, however, by the front bumper, and hauled about 10 or 15 feet to the pavement. He was taken to a hospital where he received treatment and is but little worse for the accident which might have resulted seriously.

## TEXAS PROGRAM IS ENJOYED BY KURTEN PEOPLE ON SATURDAY

The residents of Kurten enjoyed a rare treat on Saturday night at the regular meeting of the Kurten Community Club. Our able president, Hamp Buchanan, called the meeting to order with appropriate opening remarks, and songs. Miss Johnnie Saba presided at the piano, while the audience sang "The Battle Hymn of the Republic." Mr. Buchanan then requested Mesdames Leland, Sherwood, Marsh and McDonald of College to take charge of the meeting. They gave us their "Tribute to Texas," the same that they had given to the Women's Club and the Bryan Rotary Club.

This "Tribute to Texas" includes much more than the title implies. The introduction, by Mrs. Leland was a thrilling account of our brave Texas heroes of the Alamo and many other noted Texans. She closed this account with vocal selections bearing on the same subject. She was accompanied on the piano by Mrs. Marsh.

Then Mrs. Sherwood displayed noted pictures of our wonderful Texas Blue Bonnets, followed by a graphic botanical description of the plant. She informed us that the Blue Bonnet belong to the pea family, and like other peas, enriches the soil where it abounds. Mrs. Leland then gave us an appropriate Blue Bonnet song. She was accompanied on the piano by Mrs. Marsh.

Mrs. McDonald followed with an interesting sketch of the romance of Texas. She gave us vivid, mental pictures of the early cowboy life in Texas. Mrs. Leland rendered some catchy cowboy songs.

Mrs. Marsh rendered "Turkey in the Straw" with all its variations, on the piano.

Mrs. Leland then requested the audience to join her in singing "Texas, Our Texas," our official state song. She presented a copy to the Kurten teachers.

Messrs. Munson, Parks, Cox and Ratcliffe, active members of the Bryan Lions Club, each made interesting and instructive talks, all exalting Texas, our grand Lone Star State.

Delicious angel food cake and grape juice was served to our entertainers. Our community club gets better each time. Come out and see for yourself. —REPORTER.

### J. J. BROWN OF AUSTIN IS TAKEN ILL WHILE ON WAY TO COLLEGE FROM HEARNE

J. J. Brown, assistant director of Vocational Agriculture, in the state department of education, Austin was stricken with an acute attack of gall stones while on his way from Hearne to College Station this morning, in an auto, in company with C. L. Davis, director of agriculture. He was forced to stop at the Bryan Hospital for expert attention. He suffered this morning to a great extent but is expected to be able to leave the hospital this afternoon. He is a graduate of the A. and M. College in the class of 1912.

Thursday	77	65
Friday	80	54
Saturday	72	54
Sunday	80	55
Average	79	56

## EASTERLY PARTY WILL JOIN PECAN BUDDERS AT EDGE MAY SIXTH

C. E. Kinsey and two sons, O. W. and V. W. Kinsey, of Easterly, were in Bryan today, having come down to take part in the pecan budding demonstration. The county agent informed Mr. Kinsey that pecan day was set for May 6th instead of April 6th, as Mr. Kinsey understood it to be. Mr. Kinsey lives on Dr. A. Caswell Ellis' farm near Easterly, and since Dr. Ellis has for a number of years been propagating paper shell pecans by budding on to native stock, Mr. Kinsey is interested in learning the methods used by others. He will join the crew that meets at Edge on May 6th.

## JAMES PIPKIN, GEO. MARTIN, EWIN GABY NAMED BY DE MOLAY

The Brazos Chapter, Order of De Molays, held a meeting Saturday night at 8 p.m. in the Masonic building and elected the following officers for the year 1925, as follows: James Pipkin, M. C.; Geo. Martin, S. C.; Ewin Gaby, J. C. The other officers will be appointed and announced at the next meeting. The DeMolay degree was conferred upon R. E. Dancy and Ewin Gaby, after which I. E. Dowd, chairman of the Advisory Council, talked to the members about perfecting themselves in the work and building up the order.

The new members also made interesting talks and told of their appreciation of the work.

### Next Meeting Saturday.

J. D. Martin, G. A. Long, S. C. Hoyle and W. A. Duncan, were present and represented the Masonic Lodge at the meeting, each doing his part to encourage the boys in exemplifying the principles of the order in the hall as well as in daily life.

The next meeting will be held in the Masonic hall Saturday evening at 8 p.m. and the parents of the boys who are members to be present while each DeMolay should make a sacrifice to be on hand and contribute to the success of the order. Each boy will get out of the order all that he puts into it, with compound interest in happiness, character and life.

## MRS. A. J. BUCHANAN WILL RECEIVE GIFTS FOR TORNADO AREAS

As Brazos county representative for the American Red Cross, Mrs. Albert Buchanan, local home service secretary, A. R. C., has received official notification from W. M. Baxter, Jr., assistant to the vice chairman of the A. R. C., at St. Louis, Mo., appealing for funds for the relief of the suffering families in the storm-stricken area in Southern Illinois, Missouri and Indiana. The American Red Cross as an organization has been requested to assume the entire responsibility for relief operation in this dire disaster. The urgent need at this time is for cash, and the need is great. No canvass will be made in Brazos county, but Mrs. Buchanan is instructed by the division office at St. Louis, Mo., to receive any and all donations and forward same to division headquarters at once.

### AGGIE BAND CONCERTS ARE SUSPENDED FOR TWO WEEKS

(Special to Bryan Daily Eagle.)

COLLEGE STATION, Apr. 9.—The regular Sunday afternoon band concerts of the Aggie Band will be suspended for the next two Sundays. Band Conductor Richard J. Dunn announced yesterday. He stated that a number of band members would be away this Sunday and the following Sunday the entire organization will make the trip to Corsicana where they will enter the band contest of the East Texas Band Teachers' Association.

Wm. Hudspeeth of Tabor was in Bryan Saturday.

## CHAMBER COMMERCE IN DISCUSSION ABOUT ADVERTISING SCHEMES

Most of the regular meeting hour of the Board of Directors of the Bryan and Brazos County Chamber of Commerce was taken up this morning by Secretary S. E. Eberstadt in a discussion of the work of the advertising and soliciting committee in keeping fakers from obtaining money in Bryan, or prohibiting schemes that are not of sufficient merit. He first announced for the membership committee the following new members: H. L. Russell, M. E. McCartney, E. B. Service, Corner and H. F. Snapp.

Eighteen men and four women were refused endorsement by the advertising and soliciting committee because of lack of merit, during the past week, the secretary reported. He added that some of them seemed to border on fraud. To prove the latter statement he said that it had been reported that three of them had jumped an \$80 hotel bill in Bryan and that the Sheriff here had been instructed by sheriffs at other points to hold these same three.

### People Should Co-Operate.

This committee, with Secretary Eberstadt as chairman has rendered valuable service and only this past week have saved the Bryan business men and citizens about \$1,200. If the people would back up this committee and refuse business to those who do not have endorsements, they would be helping themselves and those who are working for the best interests of Bryan. If support is not lent the committee, it is going to refuse to function further. It is doing a very valuable work and is now functioning as it should but needs greater co-operation on the part of the business men and townspeople in general.

The secretary requests that when you are solicited, you ask, "Have you an endorsement from the Chamber of Commerce?" If the solicitor has none, then refuse him for you may know that successful business men have already studied his proposition and found it of little or no merit.

A motion carried that every one in Bryan be especially urged to back up this committee in carrying out to successful completion its most valuable work.

### City Water Healthful.

J. D. Martin, chairman of the highway committee reported that the division engineer would be here in a few days and that the highway committee would take him over some of the roads that the committee wanted inspected. He also reported for the arrangements committee of the Bowers-Barron banquet at College, stating that the date had been changed from Tuesday night, April 14, to Monday night, April 13th.

Dr. W. B. Bizzell next addressed the members on matters of moment to Bryan and College.

City Manager J. Bryan Miller stated that he had received a communication from the state health officer that the Bryan water had been tested and found to be not only pure that it was healthful for people to drink. He also reported the clean-up campaign well under way and that the city was well organized for it. He emphasized the fact that the clean-up would not end with this week but would be stressed through the year.

Those present were: Dr. W. B. Bizzell, Dr. F. C. Bolton, W. H. Cole, E. J. Fountain, Mayor Tyler Haswell, J. Webb Howell, F. L. Henderson, W. S. Higgs, J. M. Gordon, John M. Lawrence, T. K. Lawrence, J. Bryan Miller, J. D. Martin, L. L. McInnis, M. L. Parker, Mrs. Lee J. Rountree, A. M. Waldrop, D. L. Wilson, M. E. Wallace.

## MRS. H. N. COCHRAN GOT HAND CUT WITH AXE ON LAST SATURDAY NIGHT

While cleaning up the rear of their home on last Saturday evening, Mr. Cochran was splitting some boards with an axe and his wife was standing near. The head came off the axe and Mrs. Cochran caught it, but the blade struck her hand, badly gashing a finger and it came near severing the member from her hand. The wound seems to be getting along nicely now, however, and what might have been a quite serious injury, had a most fortunate ending.

The new age, ushered in by the peace of Versailles and the Washington Conference, has for its handmaidens temperance and self control.  
It is to be a world democracy of right living and clear thinking; and among its most precious adjuncts is COFFEE, because this beverage must always be associated with rational living, with greater comfort and with better cheer.  
If you like coffee that has a taste that is full of richness, without a bitter tang, and with an aroma that suggests soft, languorous tropic nights,

# Rainbow Order Celebrates Anniversary

Bryan Assembly No. 49, Order of the Rainbow held its first public anniversary program at the First Baptist church in this city on Sunday evening at 8 o'clock. The symbols and colors of the Order adorned the church, and many potted ferns surrounded the pulpit platform. Above the pulpit, the symbol of the Rainbow, in the colorings, was suspended, and the electric "R", which is always present when the assembly is in session, added brilliancy and beauty to the scene. The church auditorium was packed to its capacity for the evening, and the program as given was an inspiration, and was thoroughly enjoyed by all.

With Miss Nina Ferguson at the piano, the members of Bryan's Rainbow Assembly marched down the center aisle, singing "Onward Christian Soldiers", and were seated in special reserved seats prepared for them, being decorated with the Rainbow colors.

Mrs. Albert Buchanan introduced

and took charge of the program of the hour. The entire program was given by the Rainbow Girls, Miss Nina Ferguson giving the first number, an instrumental solo, Nocturn, by Chopin; Miss Lelia Law Davis sang "Just Whisper a Prayer", after which the scripture reading for the hour was given by the Chaplain, Miss Jewell Sowarby. "Whispering Hope," a duet by Misses Mary Beth and Catherine Mitchell, was the next number, after which Miss Wava Martin introduced the speaker of the evening, Rev. R. L. Brown, of College, who brought a splendid message. "Blest Be the Tie That Binds" was the closing hymn, after which the benediction was given by Rev. Brown.

It is well to say here that Bryan is proud of its Rainbow Assembly, and the progress it has made in the year of its existence. With a charter membership of 23, the Assembly roll now contains the names of 49 active and loyal members, with applications for membership being received at every meeting.

## NEARLY A MILLION AND A QUARTER IS LOPPED OFF EDUCATIONAL BILL

University Gets Cut of Slightly Over a Quarter of a Million and Teachers' Colleges Each Come Under Ban of Governor—Appropriation Bill as Signed Carries Approximately Thirteen Millions.

(By Associated Press.)

AUSTIN, April 4.—A total of \$1,243,560 was pruned from the educational appropriation bill today by Governor Miriam A. Ferguson and the remainder of approximately \$13,000,000 was approved. This leaves two important finance bills on the Governor's desk. The following cuts were made: University of Texas \$252,700; A. and M. College \$310,400; North Texas Teachers' College, \$60,000; East Texas Teachers' College, \$10,000; West Texas Teachers' College, \$175,000; Sam Houston Teachers' College, \$100,000; and College of Industrial Arts, \$113,600.

**LIST OF ITEMS CUT OUT BY THE GOVERNOR.**

Among the items stricken from the A. and M. budget were: Department of Rural Sociology, carrying an appropriation of \$12,700; associate professor of physical education, \$6,000, associate professor of veterinary medicine, \$4,800, and director and secretary in the publicity office, totalling \$7,900. The entire contingent item of \$20,000 for additional teachers and adjustments was stricken as was the contingent fund of \$10,000 in the vocational teaching department. Other items were: publications and print shop, \$3,000; library building, \$200,000; test barn in the dairy department, \$3,000; and a galvanized iron building to be used as an armory, \$15,000.

## MEXICAN FACES FIVE COMMISSIONERS ELECTED WITH BUT 2 NAMES WRITTEN IN CHARGE ASSAULT

MANUEL CRUZ HIT BOY WITH CLEAVER DURING DISPUTE AT COLLEGE STATION

## STRUCK A.&M. STUDENT

A. W. Melver, of San Antonio, student of the A. and M. College and employed by the dairy department as delivery man, is in the hospital with a rather bad, three-inch gash in the top rear of his head, made by a cleaver in the hands of Manuel Cruz, a Mexican, employed as a helper in the A. and M. Mess Hall. Cruz is now in the county jail in Bryan with an assault charge against him. The incident happened about 6:30 o'clock this morning when Melver stopped at the Mess Hall to deliver milk. An argument developed into a dispute and the blow was struck. The Mexican retired to his room in the rear of the Mess Hall, which was surrounded by college officers to prevent escape, and Sheriff Jesse Conlee and other officers from Bryan were called to the scene. The combined force of officers entered the Mexican's room and made the arrest. Melver is suffering from a bad wound but it is not thought to be dangerous. The flesh was cut through and the bone bruised but indications are that the skull was not fractured.

## STOLEN POOL AUTO FOUND FOUR MILES OF BRYAN STRIPPED

The B. T. Poole Chevrolet touring car which was stolen from Bryan on Monday night, was found on Tuesday by children of the Italian school, four miles from Bryan on the Hearne road. Constable J. D. Conlee, Sr., and Night Officer Offa Williams drove out there last night about 9 o'clock and found the car, which had been stripped of everything that could be taken off of it. The tires and tubes were missing, the headlights and bulbs, the battery, the wiring and all other loose pieces that could be easily taken. The officers returned and notified Mr. Poole that the car had been found. He went out this morning and brought the car in to Bryan where it was taken to the D. D. White Chevrolet Agency to be refitted. Insurance in the sum of \$300 was carried with J. M. Gordon on the car, which was a 1923 model Chevrolet touring.

**WICKES-HANOVER WED**

Miss Ruth Hanover, daughter of Mr. and Mrs. W. S. Wickes, of Wheelock, and Henry Wickes, son of Mr. and Mrs. Ed Wickes, of Bryan were quietly married at the home of the bride's parents Wednesday afternoon at 3 o'clock. Immediately after the wedding the happy couple left for a short bridal trip.

Mrs. Frank Miller, Jr., is spending a few days with her mother and sisters in Houston.

## LITTLE SON OF MR. AND MRS. SEYLE IS BURIED AT WHELOCK

The funeral of little William Hughes Seyle, nine months old boy of Mr. and Mrs. Roscoe Seyle of Houston, was held from the H. & T. C. train in Bryan on Thursday and interment followed at the family cemetery at Wheelock, Rev. R. L. Brown conducting the services. Mrs. Seyle was before her marriage Miss Lottie Blanton, daughter of Mr. and Mrs. G. W. Blanton of the Tabor community, and is lovingly remembered by many friends here. The little one, the only child of Mr. and Mrs. Seyle, died at the family home in Houston Wednesday, April 1st, at 5:30 p. m. after a short illness. Sincere sympathy from many friends is extended to the bereaved parents in this their dark hour of grief.

## DEAN F. C. BOLTON IS PRINCIPAL SPEAKER AT LIONS CLUB MEET

President C. A. Searcy was called away from the regular Tuesday noon luncheon meeting of the Bryan Lions' Club on Tuesday noon and Lion J. Bryan Miller presided by request of the president. Ollie Parks reported on the visit to the Kurten Community Club meeting on last Saturday night for the committee which attended and said they had had such a good time that he hoped the committee would be appointed for that job permanently.

Lion T. A. Munson reported for the committee on the banquet for W. S. Barron and R. S. Bowers and Lion Fuller on the procuring of the Easter eggs for the county-wide children's Easter egg hunt on next Saturday afternoon at the Caldwell wooded tract two blocks south of Allen Military Academy. Lion Fuller stated that the churches of Bryan and College would donate 3,862 colored eggs and that other private donations amounted to 1,296, making 5,158 in all, which should be ample for the occasion. He added that Mrs. C. A. Searcy had volunteered to cook and color the 1,296 eggs of outside donation.

## EAGLE RECEIVES AN EASTER LILLY FROM THE BRYAN NURSERY

The Eagle editor wishes to publicly thank the Bryan Nursery & Floral Company, G. M. John, manager, for the beautiful gift of a potted Easter lily plant, the flowers having been grown in Bryan. There are four beautiful blooms and two or three buds. The blooms are as pure white and as large as any we have ever seen and the plant is a testimonial to the fact that as fine flowers can be grown in Bryan as in any other place in Texas, or in the land.

## SEWER CONTRACTORS STARTING WORK TODAY

Ned Collins of Falfurrias, C. A. Anderson and J. H. Frank, both of San Antonio, all of the firm of E. E. Collins, contractors for sewer line construction, of Falfurrias, arrived in Bryan on Monday night and have everything ready to begin work right away on the construction of approximately 15,000 feet of sanitary sewer line in different sections of the City of Bryan. This company was awarded the contract for this work by virtue of having been the lowest bidder for the job. The material has arrived and is being laid today along the routes which the sewer lines will follow. The trenching machine for cutting the ditches is being shipped from New Braunfels and will arrive in Bryan in a day or so.

## BOARD OF STEWARDS FIRST METHODIST CHURCH HOLD REGULAR MONTHLY MEET

The board of stewards of the First Methodist church held their regular monthly business meeting last night with fourteen members present, as follows: Rev. H. H. McCain, Ransom Cole, R. C. Frank, T. A. Adams, C. M. Bethany, J. W. Black, Oak McKenzie, C. K. Gardner, Will K. Gibbs, Hiram Downard, Jno. M. Lawrence, Jr., E. Jenkins, A. M. Waldrop and E. J. Jenkins. The board unanimously voted a month's vacation to the pastor, who will leave Sunday night for Shreveport, La., and thence to Montgomery, Alabama, for a ten days' stay, taking the remainder of his vacation later in the summer.

C. L. Eden is in Dallas this week attending the sessions of the State Ginners Annual Convention.

## RECORD ATTENDANCE JUNIOR MISSIONARY MEETING ON SUNDAY

Forty-nine answered roll call for the meeting of the Methodist Junior Missionary Society at its meeting during the morning church service hour on Sunday morning. This is the high mark in attendance for this year. Eleven reported having visited the sick and six on gifts to the sick, while 30 stated they were doing extra Bible reading of having the Bible read to them. Groups No. 1, 5 and 6 had every member present.

Mrs. Oak McKenzie lead the mission study lesson, after which all went into the Young Men's class room where 69 children saw the pictures on "The Arctic Explorations," explained by Miss Myra Ewin.

**Flower Books Tuesday.**

All the members of the society are requested to be at the class room on Tuesday immediately after school when Mrs. H. D. Cuykendall will instruct them on making up their Flower Books for the month.

Just preceding the opening of the missionary meeting, the children of the primary department of the Methodist Sunday school held their monthly birthday observance with six children and the pastor, Rev. H. H. McCain, contributing their pennies to the birthday collection. Mrs. Will Hall gave the cake, candy and punch for the children and the children present counted the pennies as the box. Rev. McCain was presented an angel food cake by the children of the primary department as his birthday gift.

**Children Were Much Pleased.**

Rev. McCain then told them of his earliest boyhood recollections and some of the punishment he received for wrong doing. The children were delighted with his visit and talk and hope he will meet with them many times before his next birthday.

Those present were: Group 1: Maurine Nealey, Mary Bess Egan, Ollie Ruth Shaw, Mildred McKenzie, Ann Bentley, W. A. Middleton; Group 2: Georgie Mae Daniels, Libby Lynn Gardner, Zetta Marie Adams, Jim James, Jr., Catherine Belk, Group 3: George Barnes, Billy Dunn, Walter Lee Porter, LeRoy Koenig, George Gomez; Group 4: Frances James, Leona Mae Egan, Maxine Jones, Emmett Lenz, Catherine Grey, Charles Feltz, J. ## OVER ONE HUNDRED PRESENT AT CLOUD'S BIRTHDAY CELEBRATION

On Sunday, at the home of Mr. and Mrs. J. W. Cloud at Kurten, the eighty-sixth birthday of Mr. Cloud was celebrated. As a surprise to them, relatives to the number of 115 began to arrive early in the morning and each brought a dinner basket filled with good things to eat. The men went to work and built long tables out in the yard under the big trees, and preparations for the birthday dinner went steadily on, while Grandma and Grandpa Cloud wondered what it all meant. At the noon hour a veritable feast was enjoyed, while good wishes for many more birthdays were sincerely given. The birthday cake for Grandma Cloud was not forgotten, but a delicious white loaf, with eighty-six candles burning upon it, was placed in front of him as he sat at the table. The cake was cut for "luck," Grandma and Grandpa Cloud cutting the first slices.

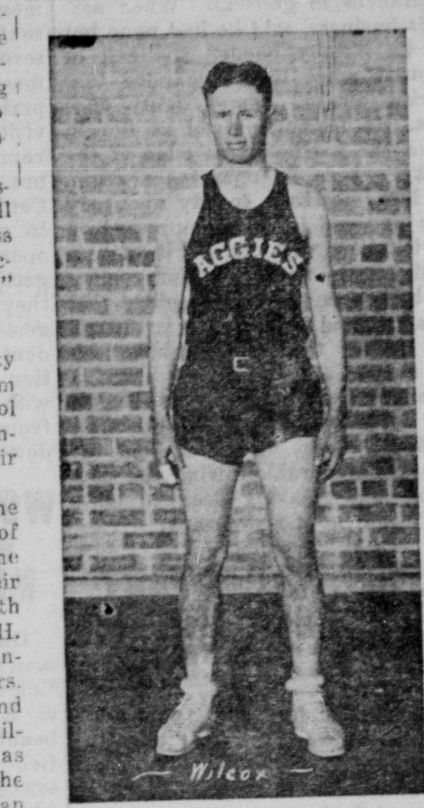

**Relatives Present.**

J. W. Cloud was born in the State of Georgia, April 2, 1839, and came to Texas and to Brazos county when a very young man and has lived here as one of its most useful and highly respected citizens during the long years. Mr. and Mrs. Cloud reared a large family of sons and daughters, only four of whom are still living. They were present on Sunday to celebrate the birthday of their father. These are T. A. Cloud, Bryan; Arch Cloud, Goose Creek; Mrs. J. P. Gilpin, Curten; Mrs. Z. L. Jones, Reliance. Following is a list of the relatives, heads of the families, who, with their children, enjoyed the birthday dinner with Mr. and Mrs. J. W. Cloud on Sunday: Mr. and Mrs. T. A. Cloud, Mr. and Mrs. J. C. Cloud, Mr. and Mrs. Jess Hensarling, Mr. and Mrs. Jim Tobias, Mr. and Mrs. C. F. Bullock, all of Bryan; Mr. and Mrs. J. P. Gilpin, Kurten; Mr. and Mrs. Luther Holligan, Steep Hollow; Mr. and Mrs. Jack Lawless, Kurten; Mr. and Mrs. Ross Tobias, Steep Hollow; Mr. and Mrs. Aubrey Tobias, Steep Hollow; Mr. and Mrs. M. B. Easter, Kurten; Mr. and Mrs. Z. L. Jones, Reliance; Mr. and Mrs. Richard Hearne, Steele's Store; Mr. and Mrs. Leslie Lloyd, College Station; Mr. and Mrs. Clarence Bullock, Bryan; Mr. and Mrs. Bolen Lloyd, Kurten; Mr. and Mrs. James Lang, Bryan; Mr. and Mrs. Button Smith, Bryan; Mr. and Mrs. George Edge, Bryan; Mr. and Mrs. Fort Martin, Bryan; Mr. and Mrs. Horace Beard, Bryan; Mr. and Mrs. Nannie Martin, Bryan; Mrs. Evie Drummond, Bryan; Mrs. John Jones, Reliance; Mrs. Fannie Holland, Bryan; Miss Emma Cloud, Kurten; Rev. J. J. Tatum, Bryan.

ketball and is well qualified to lead his team. With Wilcox, Tucker, Kyle and Baker back as a nucleus, the Farmers should put out a championship contender on the court next year. The Freshman squad uncovered some excellent material this year and will make the old men step to hold their places—Texas Aggie.

## DR. JNO. W. BLACK IS NEW PRESIDENT BRYAN ROTARY-HUMBERT VICE

The annual election for officers of the Bryan Rotary Club resulted as follows, according to announcement made at the regular Wednesday noon luncheon held at the Green Parrot Tea Room: John W. Black, president; E. P. Humbert, vice president; Chas. F. Hillier, secretary-treasurer; L. E. Warren, sergeant-at-arms, and S. Moylan Bird, some leader. The new officers will take charge at the first meeting after the first of May.

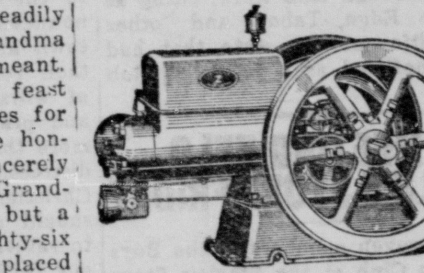

The meeting opened today with a feature number put on by Dr. Jno. W. Black and a black accomplice. Bill Davis made the classification talk on "railroads." In the absence of two of the officials he had expected to be on hand to do the talking for him, Davis made his own speech and put it over in great shape, according to those who heard him. Among other things he said "without transportation we would not get anywhere."

T. K. Lawrence and Oak McKenzie were named by President D. L. Wilson as the committee to co-operate with other committees for the success of the banquet for W. S. Barron and R. S. Bowers and their wives at the College Mess Hall next Monday night.

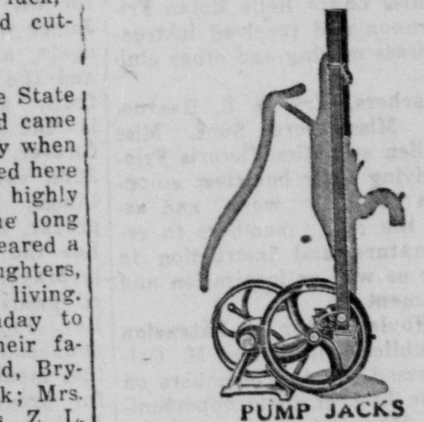

There was an unusually good attendance, over 90 per cent of the membership being present.

## "HOPPERS INFESTING DIFFERENT SECTIONS OF BRAZOS COUNTY

R. R. Reppert, entomologist of the Extension Service Department of the A. and M. College, was called to Navasota on Monday by a number of farmers of Grimes county who stated that grasshoppers were infesting that region and menacing crops. Mr. Reppert found that the greatest danger was in Brazos county in the vicinity of Millican however. Will Conrad of Kurten also reports the "hoppers in great numbers in that section.

## Bran Mash Poison Formula.

County Agent C. L. Beason gives the following formula as one that will kill the hoppers and render the necessary relief to stricken areas: Wheat bran ..... 25 lbs. Amylacetate, high grade, ..... 1 oz. Cane molasses ..... 2 qts.

The use of amylacetate is said to get better results than lemons or orange formerly used in the poison. Enough water should be added to make the mixture moist but not dripping wet. Mash should be put out late in the evening or early in the morning along turn rows, fence corners, etc., where grasshoppers come out.

Reports coming in to County Agent C. L. Beason indicate that infestation of grasshoppers is more or less general, but, whatever the extent of infestation, farmers should certainly keep a vigilant eye on the situation and act promptly on first appearance of grasshoppers. The bran mash poison has proved effective when prepared and used as directed by the Extension Service.

## COMMITTEES FOR LION EASTER EGG HUNT APPOINTED

The committee appointed by the Lions to take charge of the Easter egg hunt met in the City Hall last night in response to a call issued by the chairman, Lion Miller. The following responded to the call: Lions J. Bryan Miller, Wm. N. Sholl, W. E. Nealey, Mat Vitopil, F. D. Fuller, and L. E. Warren and Mrs. C. A. Searcy were visitors and advisors.

Lion Fuller, chairman of the egg committee, reported that the churches and Sunday schools were responding to the call and were showing great enthusiasm in the movement, and seemed confident that hearty co-operation would be given in making the Easter egg hunt a success.

In order to facilitate the movement and make thorough preparation for the happiness of the children, the following committees were appointed:

Grize committee: Lions J. M. Ferguson, J. E. Hensarling, E. J. Hunt, Pat Newton and Tom Suber. Place of meeting: Lions J. Bryan Miller, Larry Stephens, H. H. Yoakum and T. A. Munson.

Transportation: Lions O. J. Parker, chairman; W. W. Chambers, E. Bosque, R. B. Ratcliffe, M. M. Erskine and J. Coulter Smith.

Music committee: Lions R. V. Armstrong, M. L. Jones and H. S. Locke.

The Boy Scouts will be asked to act as patrols and render assistance in their sphere, while the wives of the Lions will be requested to assist in the care of the children.

A resolution was passed tendering a special invitation to the officials of the county and city to be present and enjoy the festivities as well as render assistance in keeping harmony and good will in evidence. The committee then adjourned to meet at the call of the chairman, Lion J. Bryan Miller.

## Frequent Bilious Attacks

"I suffered with severe bilious attacks that came on two or three times each month," says Mr. J. P. Nevins, of Lawrenceburg, Ky. "I would get nauseated. I would have dizziness and couldn't work. I would take pills until I was worn-out with them. I didn't seem to get relief. A neighbor told me of

and I began its use. I never have found so much relief as it gave me. I would not be without it for anything. It seemed to cleanse my whole system and made me feel like new. I would take a few doses—get rid of the bile and have my usual clear head, feel full of pep, and could do twice the work." Bilious attacks are "seasonal" with many people. Millions have taken Thedford's Black-Draught to ward off such attacks, and the good results they have reported should induce you to try it.

# Rainbow Order Celebrates Anniversary

Bryan Assembly No. 49, Order of the Rainbow held its first public anniversary program at the First Baptist church in this city on Sunday evening at 8 o'clock. The symbols and colors of the Order adorned the church, and many potted ferns surrounded the pulpit platform. Above the pulpit, the symbol of the Rainbow, in the colorings, was suspended, and the electric "R", which is always present when the assembly is in session, added brilliancy and beauty to the scene. The church auditorium was packed to its capacity for the evening, and the program as given was an inspiration, and was thoroughly enjoyed by all.

With Miss Nina Ferguson at the piano, the members of Bryan's Rainbow Assembly marched down the center aisle, singing "Onward Christian Soldiers", and were seated in special reserved seats prepared for them, being decorated with the Rainbow colors.

Mrs. Albert Buchanan introduced

## NEARLY A MILLION AND A QUARTER IS LOPPED OFF EDUCATIONAL BILL

University Gets Cut of Slightly Over a Quarter of a Million and Teachers' Colleges Each Come Under Ban of Governor—Appropriation Bill as Signed Carries Approximately Thirteen Millions.

(By Associated Press). AUSTIN, April 4.—A total of \$1,243,560 was pruned from the educational appropriation bill today by Governor Miriam A. Ferguson and the remainder of approximately \$13,000,000 was approved. This leaves two important finance bills on the Governor's desk. The following cuts were made: University of Texas \$252,700; A. and M. College \$310,400; North Texas Teachers' College, \$60,000; East Texas Teachers' College, \$10,000; West Texas Teachers' College, \$175,000; Sam Houston Teachers' College, \$100,000; and College of Industrial Arts, \$113,600.

**LIST OF ITEMS CUT OUT BY THE GOVERNOR.** Among the items stricken from the A. and M. budget were: Department of Rural Sociology, carrying an appropriation of \$12,700; associate professor of physical education, \$6,000, associate professor of veterinary medicine, \$4,800, and director and secretary in the publicity office, totalling \$7,900. The entire contingent item of \$20,000 for additional teachers and adjustments was stricken as was the contingent fund of \$10,000 in the vocational teaching department. Other items were: publications and print shop, \$3,000; library building, \$200,000; test barn in the dairy department, \$3,000; and a galvanized iron building to be used as an armory, \$15,000.

## MEXICAN FACES CHARGE ASSAULT

MANUEL CRUZ HIT BOY WITH CLEAVER DURING DISPUTE AT COLLEGE STATION

## STRUCK A. & M. STUDENT

A. W. Melver, of San Antonio, student of the A. and M. College and employed by the dairy department as delivery man, is in the hospital with a rather bad, three-inch gash in the top rear of his head, made by a cleaver in the hands of Manuel Cruz, a Mexican, employed as a helper in the A. and M. Mess Hall. Cruz is now in the county jail in Bryan with an assault charge against him. The incident happened about 6:30 o'clock this morning when Melver stopped at the Mess Hall to deliver milk. An argument developed into a dispute and the blow was struck. The Mexican retired to his room in the rear of the Mess Hall, which was surrounded by College officers to prevent escape, and Sheriff Jesse Conlee and other officers from Bryan were called to the scene. The combined force of officers entered the Mexican's room and made the arrest. Melver is suffering from a bad wound but it is not thought to be dangerous. The flesh was cut through and the bone bruised but indications are that the skull was not fractured.

## STOLEN POOL AUTO FOUND FOUR MILES OF BRYAN STRIPPED

The B. T. Poole Chevrolet touring car which was stolen from Bryan on Monday night, was found on Tuesday by children of the Italian school, four miles from Bryan on the Hearne road. Constable J. D. Conlee, Sr., and Night Officer O. J. Williams drove out there last night about 9 o'clock and found the car, which had been stripped of everything that could be taken off of it. The tires and tubes were missing, the headlights and bulbs, the battery, the wiring and all other loose pieces that could be easily taken. The officers returned and notified Mr. Poole that the car had been found. He went out this morning and brought the car in to Bryan where it was taken to the D. D. White Chevrolet Agency to be refitted. Insurance in the sum of \$300 was carried with J. M. Gordon on the car, which was a 1923 model Chevrolet touring.

**WICKES-HANOVER WED** Miss Ruth Hanover, daughter of Mr. and Mrs. W. S. Wickes, son of Mr. and Mrs. Ed Wickes, of Bryan, were quietly married at the home of the bride's parents Wednesday afternoon at 3 o'clock. Immediately after the wedding the happy couple left for a short bridal trip.

Mrs. Frank Miller, Jr., is spending a few days with her mother and sisters in Houston.

## FIVE COMMISSIONERS ELECTED WITH BUT 2 NAMES WRITTEN IN

Only a very light vote was cast in Tuesday's city election in Bryan. The present five city commissioners were re-elected with practically no opposition. There were but 194 votes cast, as follows: E. J. Jenkins, 194; Tyler Haswell, 192; H. A. Burger, 191; Wilson Bradley, 191; L. L. McInnis, 190. Names written on the ballots were: A. M. Waldrop, 1; J. N. Dunaway, 1.

The next step is for the city commission to organize, elect a mayor from among the personnel, and allot divisions of departmental work to the different commissioners.

## EAGLE RECEIVES AN EASTER LILLY FROM THE BRYAN NURSERY

The Eagle editor wishes to publicly thank the Bryan Nursery and Floral Company, G. M. John, manager, for the beautiful gift of a potted Easter lilly plant. The flowers have been grown in Bryan. There are four beautiful blooms and two or three buds. The blooms are as pure white and as large as any we have ever seen and the plant is a testimonial to the fact that as fine flowers can be grown in Bryan as in any other place in Texas, or in the land.

## SEWER CONTRACTORS STARTING WORK TODAY

Ned Collins of Falfurrias, C. A. Anderson and J. H. Frank, both of San Antonio, all of the firm of E. E. Collins, contractors for sewer line construction, of Falfurrias, arrived in Bryan on Monday night and have everything ready to begin work right away on the construction of approximately 15,000 feet of sanitary sewer line in different sections of the City of Bryan. This company was awarded the contract for this work by virtue of having been the lowest bidder for the job. The material has arrived and is being laid today along the routes which the sewer lines will follow. The trenching machine for cutting the ditches is being shipped from New Braunfels and will arrive in Bryan in a day or so.

The E. E. Collins firm is expecting to sign a contract with W. W. Kraft of College Station for the construction of about 4,000 feet of sanitary sewer line for the Midwest Development Company, the work to be done in the tract lying between Union Hill and the Bryan Country Club, but on the opposite of the Bryan-College Road.

The men, who will be in Bryan for about a month at least, seemed to like the city very much. All were much pleased with the wide and paved streets and the fine business and residence district structures.

Wm. Hudspeth of Tabor was in town Wednesday.

Willard Chambers is in San Antonio for several days on business.

Mr. and Mrs. J. S. Williams of Tola are Bryan visitors.

## LITTLE SON OF MR. AND MRS. SEYLE IS BURIED AT WHEELLOCK

The funeral of little William Hughes Seyle, nine months old baby of Mr. and Mrs. Roscoe Seyle of Houston, was held from the H. & T. C. train in Bryan on Thursday and interment followed at the family cemetery at Wheelock, Rev. R. L. Brown conducting the services. Mrs. Seyle was before her marriage Miss Lottie Blanton, daughter of Mr. and Mrs. G. W. Blanton of the Tabor community, and is lovingly remembered by many friends here. The little one, the only child of Mr. and Mrs. Seyle, died at the family home in Houston Wednesday, April 1st, at 5:30 p. m. after a short illness. Sincere sympathy from many friends is extended to the bereaved parents in this their dark hour of grief.

## DEAN F. C. BOLTON IS PRINCIPAL SPEAKER AT LIONS CLUB MEET

President C. A. Searcy was called away from the regular Tuesday noon luncheon meeting of the Bryan Lions' Club on Tuesday noon and Lion J. Bryan Miller presided by request of the president. Ollie Parks reported on the visit to the Kurten Community Club meeting on last Saturday night for the committee which attended and said they had had such a good time that he hoped the committee would be appointed for that job permanently.

Lion T. A. Munson reported for the committee on the banquet for W. S. Barron and R. S. Bowers and Lion Fuller on the procuring of the Easter eggs for the county-wide children's Easter egg hunt on next Saturday afternoon at the Caldwell wooded tract two blocks south of Allen Military Academy. Lion Fuller stated that the churches of Bryan and College would donate 3,862 colored eggs and that other private donations amounted to 1,296, making 5,158 in all, which should be ample for the occasion. He added that Mrs. C. A. Searcy had volunteered to cook and color the 1,296 eggs of outside donation.

Some Delightful Music.

James Pipkin was present as a representative of the Bryan high school senior class which, he announced, will give a play on next Tuesday night. He asked that the Lions Club extend their moral support and attendance. M. E. Cox was in charge of the program for the day and introduced Mrs. Spence and Mrs. Cox who rendered some splendid music. "Traumerel" was the first number and was followed by two encores. Mrs. Cox plays the violin exceptionally well and Mrs. Spence accompanied on the piano.

Then Dean F. C. Bolton of the A. and M. College was introduced and gave a talk on public utilities, stressing in particular the electric power plants and the change in the drain on the plant, or use of electricity, from the heavy power drain of today. He showed this fact by means of curves, or graphs, on charts. His talk showed the greater advantage of the large system chain plants over the smaller individual plants.

Those present were: J. Bryan Miller, F. D. Fuller, S. C. Hoyle, T. H. Thomson, R. E. Bosque, W. E. Neely, J. M. Ferguson, W. N. Sholl, M. F. Vitopil, E. V. Spence, M. M. Erskine, M. E. Cox, F. C. Bolton, R. L. Brown, Sol Gerson, F. B. Patronella, L. L. Stephens, Harry S. Edge, Lamar Jones, T. A. Munson, O. J. Parks, R. B. Ratcliffe, Henry Locke, R. V. Armstrong, H. H. Young, E. J. Hunt, Jesse Hensarling, Mrs. M. E. Cox, Mrs. E. V. Spence, H. D. Cuykendall.

**BOARD OF STEWARDS FIRST METHODIST CHURCH HOLD REGULAR MONTHLY MEET**

The board of stewards of the First Methodist church held their regular monthly business meeting last night with fourteen members present, as follows: Rev. H. H. McCain, Ransom Cole, R. C. Franks, T. A. Adams, C. M. Bethany, Jna W. Black, Oak McKenzie, C. R. Gardner, Will K. Gibbs, Hiram Downard, Jno. M. Lawrence, Jr., E. Jenkins, A. M. Waldrop and E. J. Jenkins. The board unanimously voted a month's vacation to the pastor, who will leave Sunday night for Shreveport, La., and thence to Montgomery, Alabama, for a ten days' stay, taking the remainder of his vacation later in the summer.

C. L. Eden is in Dallas this week attending the sessions of the State Ginners Annual Convention.

## RECORD ATTENDANCE JUNIOR MISSIONARY MEETING ON SUNDAY

Forty-nine answered roll call for the meeting of the Methodist Junior Missionary Society at its meeting during the morning church service hour on Sunday morning. This is the high mark in attendance for this year. Eleven reported having visited the sick and six on gifts to the sick, while 30 stated they were doing extra Bible reading of having the Bible read to them. Groups No. 1, 5 and 6 had every member present.

Mrs. Oak McKenzie lead the mission study lesson, after which all went into the Young Men's class room where 69 children saw the pictures on "The Arctic Explorations," explained by Miss Myra Ewin.

**Flower Books Tuesday.** All the members of the society are requested to be at the class room on Tuesday immediately after school when Mrs. H. D. Cuykendall will instruct them on making up their Flower Books for the month.

Just preceding the opening of the missionary meeting, the children of the primary department of the Methodist Sunday school held their monthly birthday observance with six children and the pastor, Rev. H. H. McCain, contributing their pennies to the birthday collection. Mrs. Will Hall gave the cake, candy and punch for the children and the children present counted the pennies as Rev. McCain dropped them in the box. Rev. McCain was presented an angel food cake by the children of the primary department as his birthday gift.

**Children Were Much Pleased.** Rev. McCain then told them of his earliest boyhood recollections and some of the punishment he received for wrong doing. The children were delighted with his visit and talk and hope he will meet with them many times before his next birthday.

Those present were: Group 1: Maurine Neely, Mary Bess Egan, Ollie Ruth Shaw, Mildred McKenzie, Ann Bentley, W. A. Middleton; Group 2: George Mae Daniels, Libby Lynn Gardner, Zetta Marie Andrews, Jim James, Jr., Catherine Felker; Group 3: George Barnes, Billy Dunn, Walter Lee Porter, Leo Roy Koenig, George Gomez; Group 4: Frances James, Leona Mae Egan, Maxine Jones, Emmett Lenz, Catherine Grey, Charles Felker, J. W. Hall, Robaline Smith; Group 5: Oak McKenzie, Jr., Ruth Neely, Anna Belle Barnes, Lyle Cuykendall, Irvin Lenz, Jane Grey, John T. Egan, Bill Patterson; Group 6: Mary Martin, Kirby Joyce McKenzie, Wanda Cuykendall, Kirby Joyce McKenzie, Linton Jones, June Cochran, Charles Jones, Jr., Thomas Koppe, Hall, Evelyn Lenz; Group 7: Mildred Reed, Frances Daniels, Edia Robinson, Neva Robinson, Jane Munday, Evelyn Koenig, Bertha Nell Koenig, Edna Earl Bethea; Mrs. D. P. Gaby, Mrs. B. T. Poole, Mrs. Oak McKenzie, Miss Myra Ewin, Mrs. H. D. Cuykendall.

## OVER ONE HUNDRED PRESENT AT CLOUD'S BIRTHDAY CELEBRATION

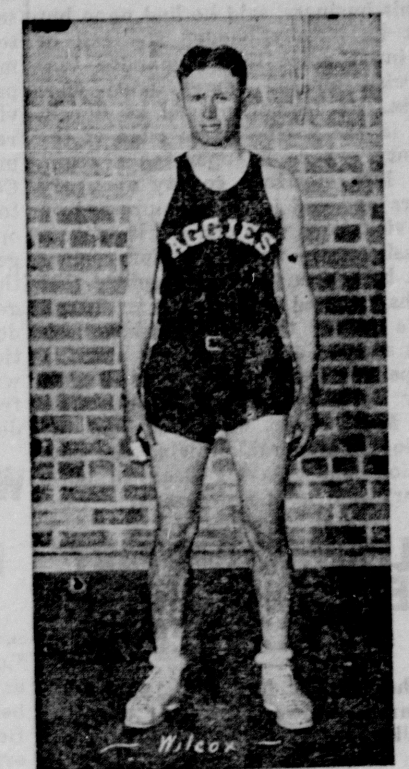

On Sunday, at the home of Mr. and Mrs. J. W. Cloud at Kurten, the eighty-sixth birthday of Mr. Cloud was celebrated. As a surprise to them, relatives to the number of 115 began to arrive early in the morning and each brought a dinner basket filled with good things to eat. The men went to work and built long tables out in the yard under the big trees, and preparations for the birthday dinner went steadily on, while Grandpa and Grandma Cloud wondered what it all meant. At the noon hour a veritable feast was enjoyed, while good wishes for many more birthdays were sincerely given. The birthday cake for Grandpa Cloud was not forgotten, but a delicious white loaf, with eighty-six candles burning upon it, was placed in front of him as he sat at the table. The cake was cut for "luck," Grandma and Grandpa Cloud cutting the first slices.

**Relatives Present.** J. W. Cloud was born in the State of Georgia, April 2, 1839, and came to Texas and to Brazos county when a very young man and has lived here as one of its most useful and highly respected citizens during the long years. Mr. and Mrs. Cloud reared a large family of sons and daughters, only four of whom are still living. They were present on Sunday to celebrate the birthday of their favorite. These are T. A. Cloud, Bryther, Arch Cloud, Goose Creek; Mrs. J. P. Gilpin, Kurten; Mrs. Z. L. Jones, Reliance. Following is a list of the relatives, heads of the families, who, with their children, enjoyed the birthday dinner with Mr. and Mrs. J. W. Cloud on Sunday: Mr. and Mrs. T. A. Cloud, Mr. and Mrs. J. C. Cloud, Mr. and Mrs. Jess Hensarling, Mr. and Mrs. Will Hensarling, Mr. and Mrs. Jim Tobias, Mr. and Mrs. C. F. Bullock, all of Bryan; Mr. and Mrs. J. P. Gilpin, Kurten; Mr. and Mrs. Luther Hoffman, Steep Hollow; Mr. and Mrs. Jack Lawless, Kurten; Mr. and Mrs. Ross Tobias, Steep Hollow; Mr. and Mrs. Aubrey Tobias, Steep Hollow; Mr. and Mrs. M. B. Easter, Kurten; Mr. and Mrs. Z. L. Jones, Reliance; Mr. and Mrs. Richard Hearne, Steele's Store; Mr. and Mrs. Leslie Lloyd, College Station; Mr. and Mrs. Clarence Bullock, Bryan; Mr. and Mrs. Bolon Lloyd, Kurten; Mr. and Mrs. James Lang, Kurten; Mr. and Mrs. George Edge, Bryan; Mr. and Mrs. Fort Martin, Edge; Mr. and Mrs. Horace Beard, Bryan; Mrs. Nannie Martin, Bryan; Mrs. Evie Drummond, Bryan; Mrs. John Jones, Reliance; Mrs. Fannie Holland, Bryan; Miss Emma Cloud, Kurten; Rev. J. J. Tatum, Bryan.

Charles S. Gainer went to Carlos, Grimes county, Wednesday to look after oil interests in that section.

The Freshman squad uncovered some excellent material this year and will make the old men step to hold their places—Texas Aggie.

## DR. JNO. W. BLACK IS NEW PRESIDENT BRYAN ROTARY-HUMBERT VICE

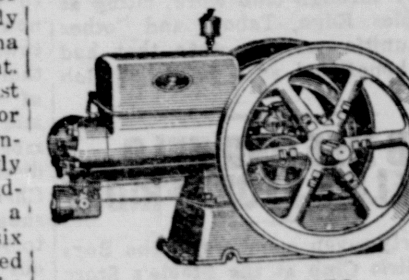

The annual election for officers of the Bryan Rotary Club resulted as follows, according to announcement made at the regular Wednesday noon luncheon held at the Green Parrot Tea Room: John W. Black, president; E. P. Humbert, vice president; Chas. F. Hillier, secretary-treasurer; I. E. Warren, sergeant-at-arms, and S. Moylan Bird, song leader. The new officers will take charge at the first meeting after the first of May.

The meeting opened today with a feature number put on by Dr. Jno. W. Black and a black accomplice. Bill Davis made the classification talk on "railroads." In the absence of two of the officials he had expected to be on hand to do the talking for him, Davis made his own speech and put it over in great shape, according to those who heard him. Among other things he said "without transportation we would not get anywhere."

T. K. Lawrence and Oak McKenzie were named by President D. L. Wilson as the committee to co-operate with other committees for the success of the banquet for W. S. Barron and R. S. Bowers and their wives at the College Mess Hall next Monday night.

## HOPPERS INFESTING DIFFERENT SECTIONS OF BRAZOS COUNTY

R. R. Reppert, entomologist of the Extension Service Department of the A. and M. College, was called to Navasota on Monday by a number of farmers of Grimes county who stated that grasshoppers were infesting that region and menacing crops. Mr. Reppert found that the greatest danger was in Brazos county in the vicinity of Milan however. Will Conrad of Kurten also reports the "hoppers" in great numbers in that section.

**Bran Mash Poison Formula.** County Agent C. L. Beason gives the following formula as one that will kill the hoppers and render the necessary relief to stricken areas: Wheat bran ..... 25 lbs. Amylacetate, high grade, ..... 1 oz. Cane molasses ..... 2 qts. The use of amylacetate is said to get better results than lemons or orange formerly used in the poison. Enough water should be added to make the mixture moist but not dripping wet. Mash should be put out late in the evening or early in the morning along turn rows, fence corners, etc., where grasshoppers come out.

Reports coming in to County Agent C. L. Beason indicate that infestation of grasshoppers is more or less general, but, whatever the extent of infestation, farmers should certainly keep a vigilant eye on the situation and act promptly on first appearance of grasshoppers. The bran mash poison has proved effective when prepared and used as directed by the Extension Service.

## COMMITTEES FOR LION EASTER EGG HUNT APPOINTED

The committee appointed by the Lions to take charge of the Easter egg hunt met in the City Hall last night in response to a call issued by the chairman, Lion Miller. The following responded to the call: Lions J. Bryan Miller, Wm. N. Sholl, W. E. Neely, Mat Vitopil, F. D. Fuller, and I. E. Warren and Mrs. C. A. Searcy were visitors and advisors.

Lion Fuller, chairman of the egg committee, reported that the churches and Sunday schools were responding to the call and were showing great enthusiasm in the movement, and seemed confident that hearty co-operation would be given in making the Easter egg hunt a success.

In order to facilitate the movement and make thorough preparation for the happiness of the children, the following committees were appointed:

**Prize committee:** Lions J. M. Ferguson, J. E. Hensarling, E. J. Hunt, Pat Newton and Tom Suber.

**Place of meeting:** Lions J. Bryan Miller, Larry Stephens, H. H. Young and T. A. Munson.

**Transportation:** Lions O. J. Parks, chairman; W. W. Chamber, P. E. Bosque, R. B. Ratcliffe, M. M. Erskine and J. Coulter Smith.

**Music committee:** Lions R. V. Armstrong, M. L. Jones and H. S. Locke.

The Boy Scouts will be asked to act as patrols and render assistance in their sphere, while the wives of the Lions will be requested to assist in the care of the children.

A resolution was passed tendering a special invitation to the officials of the county and city to be present and enjoy the festivities as well as render assistance in keeping harmony and good will in evidence. The committee then adjourned to meet at the call of the chairman, Lion J. Bryan Miller.

## Frequent Bilious Attacks

"I suffered with severe bilious attacks that came on two or three times each month," says Mr. J. P. Nevins, of Lawrenceburg, Ky. "I would get nauseated. I would have dizziness and couldn't work. I would take pills until I was worn-out with them. I didn't seem to get relief."

"A neighbor told me of

Bilious attacks are "seasonal" with many people. Millions have taken Thedford's Black-Draught to ward off such attacks, and the good results they have reported should induce you to try it.

## BRAZOS COUNTY BOYS AND GIRLS CLUB DEPARTMENT

Club Notes and Farm News by County Agent C. L. Beason

**Elsie Mills and Her R. I. Reds.**  
The Millican boys' and girls' poultry club has not only decided to raise only one breed of chickens, the Rhode Island Reds, but they are now trap-nesting in order to produce birds of the highest laying quality. Elsie Mills, who took first place with her Reds at the community fair last year, reports her No. 16 laying every day since the 8th of March, and her No. 2 having missed only one day since that time. Elsie is looking forward to the time when she will have a flock of Reds that will attract attention throughout the country.

### Need Some Organizing.

It was a Brazos county farm flock belonging to W. T. Conaway of the Reliance community, from which R. M. Sherwood, poultry husbandman, Experiment Station of the A. and M. College of Texas, selected 25 hens and five cockerels to be sent to Haiti as foundation stock for a greater poultry industry. It certainly speaks well for the poultry industry of Brazos county when a poultry expert can visit a Brazos county farm flock and select therefrom a breeding stock that will meet the demand of poultrymen in a far-away country. We have demonstrated beyond the shadow of a doubt that Brazos county can produce not only quality poultry, but also that the business can be made to pay—the record of the Franzes, the Boriskies, and others attesting the fact, and it is a singular thing that we should wait to put the industry in great shape. Boosting and backing behind and efficient organization will make of the poultry industry of Brazos county a million dollar business. Going at it single-handed will never get us anywhere. Think it over.

### Calvert Invites Brazos Entries.

County Agent R. B. Ewing of Robertson county, stated while visiting College Monday, that the poultry raisers in and around Calvert are planning a poultry show for Saturday, April 25, and invites Brazos county poultry raisers to bring or send some birds to the show, no entry fees being charged. This will be a fine opportunity for our Brazos county people to advertise the quality of birds produced in Brazos, as well as lend a helping hand to our sister town in this worthy enterprise. Seems somewhat an off season for a poultry show, and hence might interfere with the progress of many of our poultry breeding pens, but we can gather up some good stuff and send to the Calvert show. If interested, make further inquiry.

### All Eggs Will Be Marked.

It is reported that the Stephens County Poultry Association has a move on foot whereby a mark of identification will be placed on every egg sold by the members of the association, a protection to the purchaser as well as boost for the poultry raisers of that county.

### Tabor Will Be Heard From.

At least three members of the Tabor boys' and girls' club will be in State-wide cotton contest this year. There are 36 members in the club this year, 20 of which are in the poultry club, 9 in the cotton club, and the others divided among garden, corn and pig club projects. The splendid attendance at club meetings indicates that the Tabor boys and girls will be heard from this year.

### Wilcox Wants Budding Done.

J. H. Wilcox of Tabor is interested in pecan budding and terracing. The pecan budding will receive the attention of the county agent this spring, but the terracing can not be reached till crops are out of the way in the fall.

### Mrs. Kurten in Contest.

Mrs. Henry Kurten will, likely, be the first one in Brazos county to enroll in the thousand dollar garden contest sponsored by the Southern Ruralist, of Atlanta, Georgia. The contest starts May 1, and anybody in any of the 15 Southern States is eligible.

### Where the Farm Dollar Goes.

What has changed this country from one dominantly agricultural to a nation wonderfully industrial industry has been quick to adjust itself to changed conditions, always using the latest methods and devices that make for greatest efficiency, whereas agriculture has been slow to turn from the "beaten paths," or use equipment in keeping with the progress of the age. The lack of adequate equipment on the average farm may readily be seen from the following figures compiled to show where the farm dollar goes: Food, 19 cents; taxes, 10; clothing, 15 cents; feeds, fertilizers, etc., 9 cents; education, recreation, etc., 6 cents; payment on indebtedness, 8 cents; building supplies, 4 cents; rents; interest on indebtedness, 9; radio, jewelry, phonograph, etc., 4 cents; household supplies, 4 cents; investments, 2 cents; automobiles and upkeep, 9 cents; farm equipment, 3 cents. Is it any wonder that we farmers make so little, or that the cost is so great? Three cents out of each dollar spent for farm equipment!

### Reason for Land Values.

A few days ago fifteen hundred farmers and business men of Gregg county met in Longview to devise ways and means to best carry out their plan of a ten-year agricultural program for that county. In other words, the Gregg county people are planning to put "service on legs." It will be remembered that some two or three years ago our fellow townsman, C. L. Eden, returned from a trip to Longview and report-

ed that people were there trying to buy that old piney woods land for \$150 per acre. Why should people be trying to buy such land? There is a reason.

### W. E. Moore Praises Terracing.

In speaking concerning the importance of terracing, W. E. Moore of Steep Hollow says "It is the best work I have ever had done on my farm. Extension Service work has been worth many hundred dollars to my farm." C. Koonze of Zack says he wants to be first on the list for terracing next fall.

## KINGS HIGHWAY

(Special to Bryan Daily Eagle)

KINGS HIGHWAY, Apr. 9.—The people in our community are wishing for a good rain. The little shower we had last week wasn't enough to amount to anything.

The Kings Highway school will close April 10th. All the school children are busy practicing on a program which they will have to perform on April 10th. They are also planning for a school picnic April 10th. We are sorry school closes and our good teachers are to leave us. The school children had a good time on April the first, by having a picnic on the river.

The friends and neighbors gave Miss Minnie Nash a birthday party March 27th. Everyone who attended had a most enjoyable time.

## SPLENDID PROGRAM EXTENSION SERVICE MEETING WEDNESDAY

The Extension Service Club met Wednesday afternoon with Mrs. A. L. Ward as hostess. The home was beautifully decorated with pink and white carnations, snap dragons and stock, which gave an additional charm to the already attractive rooms and permeated an atmosphere of cheer and joyousness. Mrs. Ward extended cordial greetings and with grace, ease and tact dispensed her hospitality in the true Southern fashion. After the business session was concluded a delightful program was rendered by little Misses Ann Bentley, Margaret Ward and Eleanor Ann Ward. Ann Bentley gave a violin solo, "Castles Hall," by Edward Kearns, accompanied by Mrs. A. L. Ward at the piano; Margaret Ward rendered a piano solo, "Pirates Good Night Song;" Eleanor Ann Ward entertained with a reading "Exams." Before leaving the hostesses passed a lovely refreshment plate of ice cream and individual cake in the colors chosen of pink and white. Plate favors of tiny Easter baskets were given each as souvenirs.

Those present were: Mesdames S. C. Evans, Ralph Glazier, R. R. Lancaster, W. H. Darrow, T. O. Walton, A. P. Swallow, G. W. Barnes, S. D. Hughes, E. A. Miller, M. R. Bentley, G. L. Crawford, H. E. Randolph, T. E. Wallace, A. L. Ward. Mrs. Swallow, Sr., was a visitor.

## FUNERAL SERVICES FOR MATHILDA HORNBERGER

Mrs. Mathilda Hornberger, aged 60 years, 5 months and 1 day, died Friday evening at the family home 1 mile south of Kurten at 7:15 p. m. Funeral services will be held from the family home this afternoon at 2 o'clock, conducted by Rev. J. J. Kaskie. Interment was in the Kurten Cemetery with arrangements in charge of the McCulloch-Gordon Co., undertakers. Mrs. Hornberger was a native of Germany, but had been a resident of Brazos county for more than fifteen years. Her son, Will Hornberger, is the only living survivor.

## FORMER RESIDENT OF BRAZOS CAN'T HELP BUT PAY VISIT AGAIN

F. A. Capps of Fort Worth, who owns farming property in the vicinity of that city, drove in to Bryan on Friday afternoon for a few days' visit. When asked whom he was visiting here, he said nobody in particular and all his old friends and acquaintances in general. When asked his business, said he had none but that he merely heeded the call of an inner voice that demanded that he visit his old home county once again. He formerly lived at Benchley, in the northwestern edge of the county, where he operated a farm. He left Brazos county about 10 years ago and is much impressed on his visit here with the spirit of progressiveness and the improvement that has taken place. He added that he had visited many cities in Texas, some larger than Bryan, but none that seemed as clean, lively and full of pep as this one. He was especially complimentary with regard to the Main street of Bryan and the paving in general, drawing the conclusion that "paving used to be a luxury and now a necessity."

## FALFURRIAS COMPANY GETS CONTRACT FOR BRYAN SEWER LINES

The contract for about 15,000 feet of sanitary sewer in several different localities of the City of Bryan, has been awarded to the firm of E. E. Collins of Falfurrias. The city commission took this action at the regularly scheduled adjourned meeting on Tuesday night. The contract went to the lowest bidder, his price being \$7,805. The matter was not completed, however, until Wednesday afternoon when E. E. Collins, Jr., of Falfurrias and C. A. Anderson of San Antonio came to Bryan and signed the contract, returning to Falfurrias with other necessary papers for the making of bond and other things. They expect to be able to start the job in Bryan within the next few days or two weeks. The City Commission is very desirous of getting all sections of the town which are interested in sewer lines to get in touch with the city manager with a petition in order that same may be acted upon right away. If possible, then, the line will be put in right away while the contractor is here on the job already contracted for. The unit price is said to be very attractive and as much as possible of the sewer line should be put in now. All sections of the town where it is possible to make connections with the sewer should manifest their interest. A part of these lines will have to be paid for with advance rentals.

## PERSONS. STATE AGENT VISITS SMETANA CLUB BOYS AND GIRLS FRI.

R. W. Persons, assistant state agent in charge of boys' club work, of the Extension Service, and County Agent C. L. Beason visited Smetana school Friday afternoon in the interest of club work. Dixon L. Turner, principal of the school and teacher of vocational agriculture, recognizes the social importance of club work in addition to its economic value, and has asked the county agent to return to the Smetana school on Friday, April 10, and assist in organizing a boys' and girls' club.

Mr. Persons in his talk to the school called attention to the many opportunities for individual promotion as well as for perhaps a greater opportunity for service to the community through club work, citing as examples Edge, Tabor and other communities of the state that had been benefitted as a result of club work.

## CLUB MEETING HELD STEELE'S STORE FRIDAY

Thirty-seven members of the Boys and Girls Club at the Steele's Store and Stone City consolidated school greeted Miss Laura Belle Roten Friday afternoon and received instructions in dress making and other club projects.

The teachers, Mrs. R. B. Hearne, principal, Miss Dora Sims, Miss Ruby Wallen and Miss Victoria Friedel are giving their heartiest cooperation in the club work and assembled the club members to receive literature and instruction in club work as well as inspiration and encouragement.

S. C. Hoyle, editor of Extension Service publication, A. and M. College addressed the club members on making the best of their opportunities while Miss Roten discussed the value of placing yourself in the other mans place and being thoughtful and considerate of other people. She urged the pupils to be obedient to their teachers and take advantage of the opportunities to prepare for life and become good citizens.

In order to instill a spirit of citizenship the students were instructed and taught to sing the following song which was first written upon the blackboard.

Texas, Texas, pride of the South,  
How we love you, honor you too,  
Lone Star, bright star, waving on high.

I was born and bred on Texas soil,  
In Texas let me die.  
Rah, rah, rah for Texas, hurrah!  
How we love you honor you too,  
Lone star, bright star, waving on high.

I was born and reared on Texas soil,  
In Texas let me die.

A glance at the enthusiastic faces of these pupils as they sang and a view of their sparkling eyes and beaming faces as they sang together would have been convincing that these youngsters will make good citizens and excellent homemakers in the next generation.

## NAVASOTA BUSINESS MEN INTERESTED IN THE HOPPER MENACE

NAVASOTA, Apr. 10.—A meeting having for its purpose the extermination of the grasshopper along the railroad rights of way was held at the chamber of commerce directors meeting with Mayor Ward Templeman presiding. Farmers, business men and the railroads were represented: J. W. Marshall of Mart, International-Great Northern trainmaster, and J. A. Glenn, division superintendent, and S. W. Brady, division engineer, both of Beaumont, representing the Santa Fe, were present. The Houston and Texas Central was unable to send a man to attend the meeting, but will cooperate with others in the work of getting rid of the insects before they become full grown. Upon suggestion a message was sent to President W. B. Bizzell at College Station for an entomologist to confer with the committee and a party from the College immediately drove down.

## WOMAN'S CLUB OF KURTEN HELD FINE MEETING WEDNESDAY

On Wednesday afternoon the Woman's club, with Miss Laura Belle Roten, as their efficient leader, met at Kurten at Mrs. James Lang's beautiful new home. Miss Laura Belle Roten demonstrated the modern drop biscuit, now so popular, which all pronounced a "howling" success. Helpful sewing demonstrations were given on the making over of last year's dresses. The social part was highly enjoyed, and all present decided this was the most enthusiastic meeting we had ever had.

The next meeting is to be with Mrs. August Prinzel, and we are to be taught how to prepare every kind of salad in use.

Club members present were: Mesdames James Lang, J. P. Gilpin, M. B. Eastern, W. J. Henderson, W. H. Buchanan, W. F. Odom, W. R. Lawless, John Sabo, R. Francis, August Prinzel, R. Franz, Seab Keith, J. F. Lawless, Artie Hearne, J. F. Hurff, Misses Roten, Kate Lawless, Mary Fridel, Mary Oprentey.

## EASTER GIFT MADE OF CANDY TO BE GIVEN GOVERNOR FERGUSON

(By Associated Press)

SAN ANTONIO, Apr. 10.—Governor Miriam A. Ferguson is to receive an unique Easter present from George Sene, Austrian candy maker, now residing in San Antonio. See has moulded from candy, which he made himself, a large Easter egg, larger than the ordinary football. The egg has a door at one end and is made to represent the sepulchre in which the body of Christ was placed following His crucifixion. Through this door, the crucified Christ can be seen lying on the rocks in the cave, and standing around Him can be seen Mary, the mother of Christ, and others who were present when the body was buried. The "egg" is mounted on a candy pedestal, which, in turn, is placed on a platform of candy.

## BAPTIST CHURCHES OF BRAZOS TO PRAY FOR RAIN NEXT SUNDAY

Rev. J. J. Pipkin, who is confined to his bed by illness, sends a request to the Eagle, to publish an announcement that the people of the town and over the county meet at their respective churches and places of worship on Sunday, April 12th, and pray for rain. The drought of more than three months is becoming distressing, and the prayers of the Christian people of the community should ascend to Heaven for rain to revive the parched earth. "As our faith, so shall our blessing be," and "Our Heavenly Father careth for us." In the fifth chapter of James we read where "Elias prayed again, and the heavens gave rain, and the earth brought forth her fruit," and we know that our Lord is "the same yesterday, today and forever." In Matthew, 21st chapter, 22nd verse, we are told "And all things, whatsoever ye shall ask in prayer, believing, ye shall receive." Let the people humble themselves in prayer, with faith and with united petitions for rain at this time. Rev. Pipkin urges that this announcement be considered, and further mention of the time and places for prayer be made through the Eagle so that all may know of the plan.

### SUBSCRIBE FOR HOME PAPER

Every member of the Texas Farm Bureau Cotton Association in every county of the State should subscribe for his home newspaper. We have said this so often that it would hardly seem necessary to say it again, but the Association members owe a debt of gratitude to the rural press that can best be paid by subscribing and paying for the home newspaper. Thousands of dollars worth of space were given freely by these papers to the movement during early stages of the organization and since then these same rural newspapers and the city fellows, too, for that matter, have given space and prominence to Cotton Co-operative news. These editors are our friends and have shown their friendship in a substantial way. We can manifest our appreciation of what they have done for us by subscribing and paying for their newspapers and, at the same time, keep up the local news of our county. Of course, we ought to do this. Give you go to town if you are not already a subscriber for your local paper, go in and tell him you appreciate what it has done for your Association.—Farm Bureau News.

## BRAZOS COUNTY BOYS AND GIRLS CLUB DEPARTMENT

Club Notes and Farm News by County Agent C. L. Beason

### Elsie Mills and Her R. I. Reds.

The Millican boys' and girls' poultry club has not only decided to raise only one breed of chickens, the Rhode Island Reds, but they are now trap-neesting in order to produce birds of the highest laying quality. Elsie Mills, who took first place with her Reds at the community fair last year, reports her No. 16 laying every day since the 28th of March, and her No. 2 having missed only one day since that time. Elsie is looking forward to the time when she will have a flock of Reds that will attract attention throughout the country.

### Need Some Organizing.

It was a Brazos county farm flock belonging to W. T. Conway of the Reliance community, from which R. M. Sherwood, poultry husbandman, Experiment Station of the A. and M. College of Texas, selected 25 hens and five cockerels to be sent to Haiti as foundation stock for a greater poultry industry. It certainly speaks well for the poultry industry of Brazos county when a poultry expert can visit a Brazos county farm flock and select therefrom a breeding stock that will meet the demand of poultrymen in a far-away country. We have demonstrated beyond the shadow of a doubt that Brazos county can produce not only quality poultry, but also that the business can be made to pay—the record of the Frances, the Boriskies, Hendersons, Lockes, Conways, and others attesting the fact, and it is a singular thing that we should wait to put the industry in great shape. Boosting and backing behind and efficient organization will make of the poultry industry of Brazos county a million dollar business. Going at it single-handed will never get us any where. Think it over.

### Calvert Invites Brazos Entries.

County Agent R. B. Ewing of Robertson county, stated while visiting College Monday, that the poultry raisers in and around Calvert are planning a poultry show for Saturday, April 25, and invites Brazos county poultry raisers to bring or send some birds to the show, no entry fees being charged. This will be a fine opportunity for our Brazos county people to advertise the quality of birds produced in Brazos, as well as lend a helping hand to our sister town in this worthy enterprise. Seems somewhat an off season for a poultry show, and hence might interfere with the progress of many of our poultry breeding pens, but we can gather up some good stuff and send to the Calvert show. If interested, make further inquiry.

### All Eggs Will Be Marked.

It is reported that the Stephens County Poultry Association has a move on foot whereby a mark of identification will be placed on every egg sold by the members of the association, a protection to the purchaser as well as boost for the poultry raisers of that county.

### Tabor Will Be Heard From.

At least three members of the Tabor boys' and girls' club will be in State-wide cotton contest this year. There are 36 members in the club this year, 20 of which are in the poultry club, 9 in the cotton club, and the others divided among garden, corn and pig club projects. The splendid attendance at club meetings indicates that the Tabor boys and girls will be heard from this year.

### Wilcox Wants Budding Done.

J. H. Wilcox of Tabor is interested in peacan budding and terracing. The peacan budding will receive the attention of the county agent this spring, but the terracing can not be reached till crops are out of the way in the fall.

### Mrs. Kurten in Contest.

Mrs. Henry Kurten will, likely, be the first one in Brazos county to enroll in the thousand dollar garden contest sponsored by the Southern Ruralist, of Atlanta, Georgia. The contest starts May 1, and anybody in any of the 15 Southern States is eligible.

### Where the Farm Dollar Goes.

What has changed this country from one dominantly agricultural to a nation wonderfully industrial has been quick to adjust itself to changed conditions, always using the latest methods and devices that make for greatest efficiency, whereas agriculture has been slow to turn from the "beaten paths," or use equipment in keeping with the progress of the age. The lack of adequate equipment on the average farm may readily be seen from the following figures compiled to show where the farm dollar goes: Food, 15 cents; taxes, 10; clothing, 15 cents; feeds, fertilizers, etc., 9 cents; education, recreation, etc., 6 cents; payment on indebtedness, 6 cents; building supplies, 4 cents; radio, jewelry, phonograph, etc., 4 cents; household supplies, 4 cents; investments, 2 cents; automobiles and upkeep, 9 cents; farm equipment, 3 cents. Is it any wonder that we farmers make so little, or that the cost is so great? Three cents out of each dollar spent for farm equipment!

### Reason for Land Values.

A few days ago fifteen hundred farmers and business men of Gregg county met in Longview to devise ways and means to best carry out their plan of a ten-year agricultural program for that county. In other words, the Gregg county people are planning to put "service on legs." It will be remembered that some two or three years ago our fellow townsman, C. L. Eden, returned from a trip to Longview and reported

that people were there trying to buy that old piney woods land for \$150 per acre. Why should people be trying to buy such land? There is a reason.

### W. E. Moore Praises Terracing.

In speaking concerning the importance of terracing, W. E. Moore of Steep Hollow says "It is the best work I have ever had done on my farm. Extension Service work has been worth many hundred dollars to my farm." C. Koonze of Zack says he wants to be first on the list for terracing next fall.

## MRS. LEE J. ROUNTREE VICE-PRESIDENT OF TEXAS EDITORS ASSN.

(Special to Bryan Daily Eagle)  
HOUSTON, Apr. 9.—The Texas Editorial Association will meet December 3, 4 and 5, in Brownsville, according to a recent decision of the executive committee. A letter of invitation has been received by June P. Miller, president of the association from S. C. ## KINGS HIGHWAY

(Special to Bryan Daily Eagle)  
KINGS HIGHWAY, Apr. 9.—The people in our community are wishing for a good rain. The little shower we had last week wasn't enough to amount to anything.

The Kings Highway school will close April 10th. All the school children are busy practicing on a program which they will have to perform April 9th. They are also planning for a school picnic April 10th. We are sorry school closes and our good teachers are to leave us. The school children had a good time on April the first, by having a picnic on the river.

The friends and neighbors gave Miss Minnie Nash a birthday party March 27th. Everyone who attended had a most enjoyable time.

## SPLENDID PROGRAM EXTENSION SERVICE MEETING WEDNESDAY

The Extension Service Club met Wednesday afternoon with Mrs. A. L. Ward as hostess. The home was beautifully decorated with pink and white carnations, snap dragons and stock, which gave an additional charm to the already attractive rooms and permeated an atmosphere of cheer and joyousness. Mrs. Ward extended cordial greetings and with grace, ease and tact dispensed her hospitality in the true Southern fashion. After the business session was concluded a delightful program was rendered by little Misses Ann Bentley, Margaret Ward and Eleanor Ann Ward. Ann Bentley gave a violin solo, "Castles Hall," by Edward Kearns, accompanied by Mrs. A. L. Ward at the piano; Margaret Ward rendered a piano solo, "Pirates Good Night Song;" Eleanor Ann Ward entertained with a reading "Exams." Before leave-taking the hostess passed a lovely refreshment plate of ice cream and individual cake in the colors chosen of pink and white. Plate favors of tiny Easter baskets were given each as souvenirs.

Those present were: Mesdames S. C. Evans, Ralph Glazier, R. R. Lancaster, W. H. Darrow, T. O. Walton, A. P. Swallow, G. W. Barnes, S. D. Hughes, E. A. Miller, M. R. Bentley, G. L. Crawford, H. E. Randolph, T. E. Wallace, A. L. Ward. Mrs. Swallow, Sr., was a visitor.

## FUNERAL SERVICES FOR MATHILDA HORNBERGER

Mrs. Mathilda Hornberger, aged 60 years, 6 months and 1 day, died Friday evening at the family home 1 mile south of Kurten at 7:15 p. m. Funeral services will be held from the family home this afternoon at 2 o'clock, conducted by Rev. J. J. Kasiske. Interment was in the Kurten Cemetery with arrangements in charge of the McCulloch-Gordon Co., undertakers. Mrs. Hornberger was a native of Germany, but had been a resident of Brazos county for more than fifteen years. Her son, Will Hornberger, is the only living survivor.

## FORMER RESIDENT OF BRAZOS CAN'T HELP BUT PAY VISIT AGAIN

F. A. Capps of Fort Worth, who owns farming property in the vicinity of that city, drove in to Bryan on Friday afternoon for a few days' visit. When asked whom he was visiting here, he said nobody in particular and all his old friends and acquaintances in general. When asked his business, said he had none but that he merely heeded the call of an inner voice that demanded that he visit his old home county once again. He formerly lived at Benchley, in the northwestern edge of the county, where he operated a farm. He left Brazos county about 10 years ago and is much impressed on his visit here with the spirit of progressiveness and the improvement that has taken place. He added that he had visited many cities in Texas, some larger than Bryan, but none that seemed as clean, lively and full of pep as this one. He was especially complimentary with regard to the Main street of Bryan and the paving in general, drawing the conclusion that "paving used to be a luxury and now a necessity."

## FALFURRIAS COMPANY GETS CONTRACT FOR BRYAN SEWER LINES

The contract for about 15,000 feet of sanitary sewer in several different localities of the City of Bryan, has been awarded to the firm of E. E. Collins of Falfurrias. The city commission took this action at the regularly scheduled adjourned meeting on Tuesday night. The contract went to the lowest bidder, his price being \$7,805. The matter was not completed, however, until Wednesday afternoon when E. E. Collins, Jr., of Falfurrias and C. A. Anderson of San Antonio came to Bryan and signed the contract, returning to Falfurrias with other necessary papers for the making of bond and other things. They expect to be able to start the job in Bryan within the next few days or two weeks. The City Commission is very desirous of getting all sections of the town which are interested in sewer lines to get in touch with the city manager with a petition in order that same may be acted upon right away. If possible, then, the line will be put in right away while the contractor is here on the job already contracted for. The unit price is said to be very attractive and as much as possible of the sewer line should be put in now. All sections of the town where it is possible to make connections with the sewer should manifest their interest. A part of these lines will have to be paid for with advance rentals.

## PERSONS, STATE AGENT VISITS SMETANA CLUB BOYS AND GIRLS FRI.

R. W. Persons, assistant state agent in charge of boys' club work, of the Extension Service, and County Agent C. L. Beason visited Smetana school Friday afternoon in the interest of club work. Dixon L. Turner, principal of the school and teacher of vocational agriculture, recognizes the social importance of club work in addition to its economic value, and has asked the county agent to return to the Smetana school on Friday, April 10, and assist in organizing a boys' and girls' club.

Mr. Persons in his talk to the school called attention to the many opportunities for individual promotion as well as for perhaps a greater opportunity for service to the community through club work, citing as examples Edger, Tabor and other communities of the state that had been benefitted as a result of club work.

## CLUB MEETING HELD STEELE'S STORE FRIDAY

Thirty-seven members of the Boys and Girls Club at the Steele's Store and Stone City consolidated school greeted Miss Laura Belle Roten Friday afternoon and received instructions in dress making and other club projects.

The teachers, Mrs. R. B. Hearne, principal, Miss Dora Sims, Miss Ruby Wallen and Miss Victoria Fricdel are giving their heartiest co-operation in the club work and assembled the club members to receive literature and instruction in club work as well as inspiration and encouragement.

S. C. Hoyle, editor of Extension Service publication, A. and M. College addressed the club members on making the best of their opportunities while Miss Roten discussed the value of placing yourself in the other mans place and being thoughtful and considerate of other people. She urged the pupils to be obedient to their teachers and take advantage of the opportunities to prepare for life and become good citizens.

In order to instill a spirit of citizenship the students were instructed and taught to sing the following song which was first written upon the blackboard.

Texas, Texas, pride of the South,  
How we love you, honor you too,  
Lone Star, bright star, waving on high,  
I was born and bred on Texas soil,  
In Texas let me die.  
Rah, rah, rah for Texas, hurrah!  
How we love you honor you too,  
Lone Star, bright star, waving on high,  
I was born and reared on Texas soil,  
In Texas let me die.

A glance at the enthusiastic faces of these pupils as they sang and a view of their sparkling eyes and beaming faces as they sang together would have been convincing that these youngsters will make good citizens and excellent homemakers in the next generation.

## NAVASOTA BUSINESS MEN INTERESTED IN THE HOPPER MENACE

NAVASOTA, Apr. 10.—A meeting having for its purpose the extermination of the grasshopper along the railroad rights of way was held at the chamber of commerce directors meeting with Mayor Ward Templeman presiding. Farmers, business men and the railroads were represented: J. W. Marshall of Mart, International-Great Northern trainmaster, and J. A. Glenn, division superintendent, and S. W. Brady, division engineer, both of Beaumont, representing the Santa Fe, were present. The Houston and Texas Central was unable to send a man to attend the meeting, but will co-operate with others in the work of getting rid of the insects before they become full grown. Upon suggestion a message was sent to President W. B. Bizzell at College Station for an entomologist to confer with the committee and a party from the College immediately drove down.

## WOMAN'S CLUB OF KURTEN HELD FINE MEETING WEDNESDAY

On Wednesday afternoon the Woman's club, with Miss Laura Belle Roten, as their efficient leader, met at Kurten at Mrs. James Lang's beautiful new home. Miss Laura Belle Roten demonstrated the modern drop biscuit, now so popular, which all pronounced a "howling" success. Helpful sewing demonstrations were given on the making over of last year's dresses. The social part was highly enjoyed, and all present decided this was the most enthusiastic meeting we had ever had.

The next meeting is to be with Mrs. August Prinzel, and we are to be taught how to prepare every kind of salad in use.

Club members present were: Mesdames James Lang, J. P. Gilpin, M. B. Easton, W. J. Henderson, W. H. Buchanan, W. F. Odum, W. R. Lawless, John Sabo, R. Francis, August Prinzel, R. Franze, Seab Keith, J. J. Lawless, Artie Hearne, J. F. Hurf, Misses Roten, Kate Lawless, Mary Fridel, Mary Opresteny.

## EASTER GIFT MADE OF CANDY TO BE GIVEN GOVERNOR FERGUSON

(By Associated Press)  
SAN ANTONIO, Apr. 10.—Governor Miriam A. Ferguson is to receive an unique Easter present from George Sene, Austrian candy maker, now residing in San Antonio. See has moulded from candy, which he made himself, a large Easter egg, larger than the ordinary football. The egg has a door at one end and is made to represent the sepulchre in which the body of Christ was placed following His crucifixion. Through this door, the crucified Christ can be seen lying on the rocks in the cave, and standing around Him can be seen Mary, the mother of Christ, and others who were present when the body was buried. The "egg" is mounted on a candy pedestal, which, in turn, is placed on a platform of candy.

## BAPTIST CHURCHES OF BRAZOS TO PRAY FOR RAIN NEXT SUNDAY

Rev. J. J. Pipkin, who is confined to his bed by illness, sends a request to the Eagle, to publish an announcement that the people of the town and over the county meet at their respective churches and places of worship on Sunday, April 12th, and pray for rain. The drought of more than three months is becoming distressing, and the prayers of the Christian people of the community should ascend to Heaven for rain to revive the parched earth. "As our faith, so shall our blessing be," and "Our Heavenly Father careth for us." In the fifth chapter of James we read where "Elias prayed again, and the heavens gave rain, and the earth brought forth her fruit," and we know that our Lord is "the same yesterday, today and forever." In Matthew, 21st chapter, 22nd verse, we are told "And all things, whatsoever ye shall ask in prayer, believing, ye shall receive." Let the people humble themselves in prayer, with faith and with united petitions for rain at this time. Rev. Pipkin urges that this announcement be considered, and further mention of the time and places for prayer be made through the Eagle so that all may know of the plan.

## SUBSCRIBE FOR HOME PAPER

Every member of the Texas Farm Bureau Cotton Association in every county of the State should subscribe for his home newspaper. We have said this so often that it would hardly seem necessary to say it again, but the Association members owe a debt of gratitude to the rural press that can best be paid by subscribing and paying for the home newspaper. Thousands of dollars worth of space were given freely by these papers to the movement during early stages of the organization and since then these same rural newspapers and the city fellows, too, for that matter, have given space and prominence to Cotton Co-operative news. These editors are our friends and have shown their friendship in a substantial way. We can manifest our appreciation of what they have done for us by subscribing and paying for their newspapers and, at the same time, keep up the local news of our county. We, of course, we ought to do this. If you are not a subscriber for your local paper, go in and tell him you appreciate what it has done for your Association.—Farm Bureau News.
